DONEGAL GROUP INC.

PROXY STATEMENT

This proxy statement contains information relating to the annual meeting of stockholders of Donegal Group Inc. to be held on Thursday, April 17, 2003, beginning at 10:00 a.m., at the offices of the Company, 1195 River Road, Marietta, Pennsylvania 17547, and at any adjournment, postponement or continuation of the meeting. This proxy statement and the accompanying proxy are first being mailed to stockholders on March 24, 2003.

Effective as of the close of business on April 19, 2001, the Company: (a) effected a one-for-three reverse stock split of its previously authorized common stock and redesignated that common stock as Class B common stock; and (b) declared a dividend of two shares of Class A common stock payable on each share of Class B common stock outstanding at the time. As a result of the reverse stock split and stock dividend, each person who held shares of the Company's previously authorized common stock as of the close of business on April 19, 2001 thereafter continued to hold, exclusive of any fractional interest in a share of Class B common stock, the same number of shares of the Company's capital stock, two-thirds of which were shares of Class A common stock and one-third of which were shares of Class B common stock. All share information set forth in this proxy statement for periods after April 19, 2001 reflects these transactions. Additional information regarding these transactions is contained in the Company's 2002 Annual Report to Stockholders.

ABOUT THE ANNUAL MEETING

WHAT IS THE PURPOSE OF THE ANNUAL MEETING?

At the Company's annual meeting, stockholders will act upon the matters outlined in the notice of meeting on the cover page of this proxy statement, including the election of one Class B director. In addition, the Company's management will report on the performance of the Company during 2002 and respond to appropriate questions from stockholders.

WHO IS ENTITLED TO VOTE AT THE MEETING?

Holders of Class A common stock and Class B common stock of record at the close of business on the record date, February 21, 2003, are entitled to receive notice of and to vote at the annual meeting, and any adjournment, postponement or continuation of the meeting.

WHAT ARE THE VOTING RIGHTS OF THE STOCKHOLDERS?

The Company has two classes of stock outstanding: the Class A common

stock and the Class B common stock. As of the record date, 6,187,569 shares of Class A common stock were outstanding, each of which is entitled to one-tenth of a vote with respect to each matter to be voted on at the annual meeting, and 2,988,757 shares of Class B common stock were outstanding, each of which is entitled to one vote with respect to each matter to be voted on at the annual meeting. Therefore, the holders of Class A common stock will be entitled to cast a total of 618,757 votes and the holders of Class B common stock will be entitled to cast a total of 2,988,757 votes, resulting in a total of 3,607,514 votes entitled to be cast at the annual meeting.

As of the record date, Donegal Mutual Insurance Company (the "Mutual Company") owned 4,083,639 shares, or 66.0%, of the outstanding Class A common stock and 1,852,088 shares, or 62.0%, of the outstanding Class B common stock, and therefore will have the right to cast 62.7% of the votes entitled to be cast at the annual meeting. The Mutual Company has advised the Company that the Mutual Company will vote its shares for the election of Donald H. Nikolaus as Class B director. Therefore, Mr. Nikolaus will be elected as a Class B director, irrespective of the votes cast by the stockholders of the Company other than the Mutual Company.

1

WHO CAN ATTEND THE ANNUAL MEETING?

All stockholders as of the record date, or their duly appointed proxies, may attend the annual meeting. Even if you currently plan to attend the meeting, we recommend that you also submit your proxy as described below so that your vote will be counted if you later decide not to attend the meeting.

If you hold your shares in "street name" (that is, through a broker or other nominee), you will need to bring a copy of a brokerage statement reflecting your stock ownership as of the record date and check in at the registration desk at the meeting.

WHAT CONSTITUTES A QUORUM?

The presence at the meeting, in person or by proxy, of the holders of a majority of the total votes entitled to be cast by the holders of the Class A common stock and the Class B common stock outstanding on the record date will constitute a quorum, permitting the conduct of business at the meeting. Proxies received but marked as abstentions and broker non-votes will be included in the calculation of the number of shares considered to be present at the meeting.

HOW DO I VOTE?

If you complete, properly sign and return the accompanying proxy card to the Company, it will be voted as you direct. If you are a registered stockholder and attend the meeting, you may deliver your completed proxy card in person. "Street name" stockholders who wish to vote at the meeting will need to obtain a signed proxy from the institution that holds their shares.

MAY I CHANGE MY VOTE AFTER I RETURN MY PROXY CARD?

Yes. Even after you have submitted your proxy, you may change your vote at any time before the proxy is exercised by filing with the Secretary of the Company either a notice of revocation or a duly executed proxy bearing a later date. The powers of the proxy holders will be revoked if you attend the meeting in person and request that your proxy be revoked, although attendance at the meeting will not by itself revoke a previously granted proxy.

HOW DO I VOTE MY 401(K) PLAN SHARES?

If you participate in the Donegal Mutual Insurance Company 401(k) Plan, you may vote the number of shares of Class A common stock and Class B common stock equivalent to the interests in Class A common stock and Class B common stock credited to your account as of the record date. You may vote by instructing Putnam Fiduciary Trust Company, the trustee of the plan, pursuant to the instruction card being mailed with this proxy statement to plan participants. The trustee will vote your shares in accordance with your duly executed instructions provided that they are received by April 10, 2003.

If you do not send instructions, the share equivalents credited to your plan account will be voted by the trustee in the same proportion that it votes share equivalents for which it did receive timely instructions.

You may also revoke previously given voting instructions by April 10, 2003 by filing with the trustee either a written notice of revocation or a properly completed and signed voting instruction card bearing a later date.

WHAT ARE THE BOARD'S RECOMMENDATIONS?

Unless you give other instructions on your proxy card, the persons named as proxy holders on the proxy card will vote in accordance with the recommendations of the Board of Directors. The Board of Directors recommends a vote for election of the nominated Class B director (see pages 7 through 9).

WHAT VOTE IS REQUIRED TO APPROVE EACH MATTER?

ELECTION OF CLASS B DIRECTOR. The person receiving the highest number of "FOR" votes cast by the holders of the Class A common stock and the Class B common stock, voting together without regard to class, will be

elected. A properly executed proxy marked "WITHHOLD AUTHORITY" with respect to the election of a director will not be voted with respect to that director, although the proxy will be counted for purposes of determining whether a quorum is present. Cumulative voting is not permitted in the election of directors.

OTHER MATTERS. The affirmative vote of a majority of the votes entitled to be cast by the holders of the Class A common stock and Class B common stock whose shares are represented at the annual meeting in person or by proxy, voting together without regard to class, will be required to approve any other matters that properly come before the meeting. Abstentions and shares held by brokers or nominees as to which voting instructions have not been received from the beneficial owner or person otherwise entitled to vote the shares and as to which the broker or nominee does not have discretionary voting power, I.E., broker non-votes, are considered shares of stock outstanding and entitled to vote and are counted in determining the number of votes necessary for a majority. An abstention or broker non-vote will therefore have the practical effect of voting against approval of a proposal because each abstention and broker non-vote will represent one fewer vote for approval of the proposal.

If you sign your proxy card or broker voting instruction card with no further instructions, your shares will be voted in accordance with the recommendations of the Board, I.E., for the election of the Company's nominee for Class B director.

WHO WILL PAY THE COSTS OF SOLICITING PROXIES ON BEHALF OF THE BOARD OF DIRECTORS?

The Company is making this solicitation and will pay the cost of soliciting proxies on behalf of the Board of Directors, including expenses of preparing and mailing this proxy statement. In addition to mailing these proxy materials, the solicitation of proxies or votes may be made in person or by telephone or telegram by the Company's regular officers and employees, none of whom will receive special compensation for such services. Upon request, the Company will also reimburse brokers, nominees, fiduciaries and custodians and persons holding shares in their names or in the names of nominees for their reasonable expenses in sending proxies and proxy material to beneficial owners.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 (the "Exchange Act") requires that the officers and directors of the Company, as well as persons who own 10% or more of a class of equity securities of the Company, file reports of their ownership of the Company's securities, as well as statements of changes in such ownership, with the Company, the Securities and Exchange Commission (the "SEC") and the Nasdaq Stock Market. Based upon written representations received by the Company from its officers, directors and 10% or more stockholders, and the Company's review of the statements of ownership changes filed with the Company by its officers, directors and 10% or more stockholders during 2002, the Company believes that all such filings required during 2002 were made on a timely basis.

RELATIONSHIP WITH THE MUTUAL COMPANY

The Company was formed by the Mutual Company in August 1986 and was a wholly owned subsidiary of the Mutual Company until November 1986, when the Company sold shares of its previously authorized common stock in a public offering. In September 1993, the Company sold additional shares of its common stock in a public offering and, at the same time, the Mutual Company sold shares of the Company's common stock. Since that date, the Mutual Company has at various times purchased shares of the Company's previously authorized common stock in the open market in exempt transactions under SEC Rule 10b-18 and in private transactions and at all times has owned between 57% and 64% of the Company's outstanding equity securities. The Mutual Company owned 4,083,639 shares, or approximately 66%, of the Company's Class A common stock and 1,852,088 shares, or approximately 62%, of the Company's Class B common stock as of February 21, 2003.

The Company's operations are interrelated with the operations of the Mutual Company, and various reinsurance arrangements and expense sharing arrangements exist between the Company and the Mutual Company. The Company believes that its various transactions with the Mutual Company have been on terms no less favorable to the Company than the terms that could have been negotiated with an independent third party.

All of the Company's officers are officers of the Mutual Company, four of the Company's six directors are directors of the Mutual Company and two of the Company's executive officers are directors of the Mutual Company. The Company and the Mutual Company maintain a Coordinating Committee, which consists of two outside directors from each of the Company and the Mutual Company, none of whom holds seats on both Boards. Under the Company's and the Mutual Company's By-laws, any new agreement between the Company and the Mutual Company and any proposed change in any existing agreement between the Company and the Mutual Company must first be submitted for approval by the respective Boards of Directors of the Company and the Mutual Company and, if approved, submitted to the Coordinating Committee for its approval. The proposed new agreement or change in an existing agreement will receive Coordinating Committee approval only if both of the Company's Coordinating Committee members conclude that the new agreement or change in existing agreement is fair to the Company and its stockholders and if both of the Mutual Company's Coordinating Committee members conclude that the new agreement or change in existing agreement is fair and equitable to the Mutual Company and its policyholders. The purpose of this provision is to protect the interests of the stockholders of the Company and the interests of the policyholders of the Mutual Company. The Coordinating Committee meets on an as-needed basis. The Company's members on the Coordinating Committee are Robert S. Bolinger and John J. Lyons. See "Election of Directors." The Mutual Company's members on the Coordinating Committee are John E. Hiestand and Frederick W. Dreher. Mr. Hiestand, age 64, has been a director of the Mutual Company since 1983 and has been a self-employed provider of insurance administrative services for more than five years. Mr. Dreher, age 62, has been a director of the Mutual Company since 1996. He is a partner in the law firm of Duane Morris LLP, where he has practiced law since 1965. See "Election of Directors -- Certain Transactions."

The Mutual Company provides all personnel for the Company and its insurance subsidiaries, Atlantic States Insurance Company ("Atlantic States")

and Southern Insurance Company of Virginia ("Southern"). Expenses are allocated to the Company and Southern according to a time allocation and estimated usage agreement, and to Atlantic States in relation to the relative participation of the Mutual Company and Atlantic States in the pooling agreement described below. Expenses allocated to the Company under the pooling agreement were \$28,586,888 in 2002.

5

The Mutual Company leases office equipment and automobiles from the Company. The Mutual Company made lease payments to the Company of \$789,697 in 2002.

The Mutual Company and Atlantic States participate in an underwriting pool, whereby Atlantic States cedes premiums, losses and loss adjustment expenses on all of its business to the Mutual Company and assumes from the Mutual Company a specified portion of the premiums, losses and loss adjustment expenses of the Mutual Company and Atlantic States. Substantially all of the Mutual Company's property and casualty insurance business is included in the pooled business. All premiums, losses, loss adjustment expenses and other underwriting expenses are prorated among the parties on the basis of their participation in the pool. The pooling agreement may be amended or terminated at the end of any calendar year by agreement of the parties, subject to approval by the Boards of Directors of the Mutual Company and Atlantic States and by the Coordinating Committee. The allocations of pool participation percentages between the Mutual Company and Atlantic States are based on the pool participants' relative amounts of capital and surplus, expectations of future relative amounts of capital and surplus and the ability of the Company to raise capital for Atlantic States. Atlantic States' participation in 2002 was 70%. Additional information describing the pooling agreement is contained in the Company's 2002 Annual Report to Stockholders.

Atlantic States and the Mutual Company are also currently parties to a property catastrophe excess of loss reinsurance agreement whereby the Mutual Company reinsures Atlantic States for catastrophe losses in excess of \$400,000 per event.

Prior to January 1, 2002, the Mutual Company and Southern were parties to a reinsurance agreement, whereby the Mutual Company reinsured 50% of Southern's business. Because the Mutual Company places substantially all of the business assumed from Southern in the pool, from which the Company, through Atlantic States, has an allocation of 70%, the Company's operations include approximately 85% of the business written by Southern prior to 2002. The Mutual Company is currently a party to a retrocessional reinsurance agreement with Southern, whereby the Mutual Company assumes 100% of the net liability that may accrue to Southern from its insurance operations and retrocedes 100% of the net liability back to Southern. The Mutual Company and Southern are also parties to a property catastrophe excess of loss reinsurance agreement, whereby the Mutual Company reinsures Southern for catastrophe losses in excess of \$450,000 and an excess of loss reinsurance agreement whereby the Mutual Company reinsures Southern for individual losses in excess of \$125,000, up to a limit of \$175,000.

The Company owns 45% and the Mutual Company owns 55% of Donegal Financial Services Corporation, the holding company for Province Bank FSB ("Province Bank"), a federal savings bank with offices in Marietta and Columbia, Pennsylvania. The Company and the Mutual Company conduct banking operations in the ordinary course of business with Province Bank.

The Mutual Company and Province Bank are parties to a lease whereby Province Bank leases 3,600 square feet in one of the Mutual Company's buildings located in Marietta, Pennsylvania from the Mutual Company for an annual rent based on an independent appraisal. The Mutual Company and Province Bank are also parties to an Administrative Services Agreement whereby the Mutual Company is obligated to provide various human resource services, principally payroll and employee benefits administration, administrative support, facility and equipment maintenance services and purchasing, to Province Bank, subject to the overall limitation that the costs to be charged by the Mutual Company may not exceed the costs of independent vendors for similar services and further subject to annual maximum cost limitations specified in the Administrative Services Agreement.

ELECTION OF DIRECTORS

NOMINEES AND DIRECTORS CONTINUING IN OFFICE

The Company's Board of Directors currently consists of six members.

Each director is elected for a three-year term and until his successor has been duly elected. The current three-year terms of the Company's directors expire in the years 2003, 2004 and 2005, respectively.

One Class B director is to be elected at the annual meeting. Unless otherwise instructed, the proxies solicited by the Board of Directors will be voted for the election of the nominee named below. This nominee is currently a director of the Company. C. Edwin Ireland, who previously served as a Class B director, retired as a member of the Company's Board of Directors effective December 31, 2002.

If the nominee becomes unavailable for any reason, the proxies intend to vote for a substitute nominee designated by the Board of Directors. The Board of Directors has no reason to believe the nominee named will be unable to serve if elected. Any vacancy occurring on the Board of Directors for any reason may be filled by a majority of the directors then in office until the expiration of the term of the class of directors in which the vacancy exists.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE ELECTION OF THE NOMINEE NAMED BELOW.

The name of the nominee for Class B director and the Class C directors and Class A directors who will continue in office after the annual meeting until the expiration of their respective terms, together with certain information regarding them, are as follows:

THE BOARD OF DIRECTORS AND ITS COMMITTEES

The Board of Directors met six times in 2002. The Board of Directors has an Executive Committee, an Audit Committee, a Nominating Committee, a Compensation Committee and, together with the Mutual Company, a four-member Coordinating Committee.

The Company's Executive Committee met eleven times in 2002. Messrs. Nikolaus, Sherbahn and Glatfelter are the members of the Executive Committee. The Executive Committee has the authority to take all action that can be taken by the full Board of Directors, consistent with Delaware law, between meetings of the Board of Directors.

The Nominating Committee of the Company consists of Messrs. Sherbahn and Glatfelter. The Nominating Committee, which met one time in 2002, is responsible for the nomination of candidates to stand for election to the Board of Directors at the annual meeting and the nomination of candidates to fill vacancies on the Board of Directors between meetings of stockholders. See "Stockholder Proposals."

The Compensation Committee of the Company consists of Messrs. Sherbahn and Glatfelter. The Compensation Committee met two times in 2002 to review and recommend compensation plans, approve certain compensation changes and determine employees who participate in and grant options under the Company's employee stock option plans. Mr. Dreher, in his capacity as a member of the Coordinating Committee, consults with the Compensation Committee with respect to the participation of Mutual Company employees in the Company's equity incentive plans.

COMPENSATION OF DIRECTORS

Directors of the Company were paid an annual retainer of \$17,000 in 2002. Directors who are members of committees of the Board of Directors received \$250 for each committee meeting attended. If a director serves on the Board of Directors of both the Mutual Company and the Company, the director receives only one annual retainer. In such event, the retainer is allocated 30% to the Mutual Company and 70% to the Company.

Pursuant to the Company's 2001 Equity Incentive Plan for Directors, each director of the Company and the Mutual Company receives an annual

restricted stock award of 175 shares of the Company's Class A common stock, provided that the director served as a member of the Board of Directors of the Company or the Mutual Company during any portion of the preceding calendar year. The Mutual Company reimburses the Company for the cost of the options granted to directors of the Mutual Company who are not also directors of the Company. Pursuant to the 2001 Director Plan, each outside director of the Company and the Mutual Company is also eligible to receive non-qualified options to purchase shares of common stock in an amount determined by the Company's Board of Directors from time to time.

REPORT OF THE COMPENSATION COMMITTEE

THE FOLLOWING REPORT OF THE COMPANY'S COMPENSATION COMMITTEE AND THE PERFORMANCE GRAPH THAT IMMEDIATELY FOLLOWS SUCH REPORT SHALL NOT BE DEEMED PROXY SOLICITATION MATERIAL, SHALL NOT BE DEEMED FILED WITH THE SEC OR INCORPORATED BY REFERENCE INTO ANY COMPANY FILING UNDER THE EXCHANGE ACT OR THE SECURITIES ACT OF 1933 (THE "SECURITIES ACT") AND SHALL NOT OTHERWISE BE SUBJECT TO THE LIABILITIES OF SECTION 18 OF THE EXCHANGE ACT.

Under the rules established by the SEC, the Company is required to provide certain information about the compensation and benefits provided to the Company's Chief Executive Officer and the other executive officers listed in the Summary Compensation Table. The disclosure requirements as to these officers include the use of specified tables and a report of the Company's Compensation Committee reviewing the factors that resulted in compensation decisions affecting these officers and the Company's other executive officers. The Compensation Committee of the Board of Directors has furnished the following report in fulfillment of the SEC's requirements.

The Compensation Committee reviews the general compensation policies of the Company, including the compensation plans and compensation levels for executive officers, and administers the Company's equity incentive plans and the cash incentive compensation program in which the Company's executive officers participate. No members of the Compensation Committee are former or current officers of the Company, or have other interlocking relationships, as defined by the SEC.

Compensation of the Company's executive officers has two principal elements: (i) an annual portion, consisting of a base salary that is reviewed annually and cash bonuses based on the Company's annual underwriting results, and (ii) a long-term portion, consisting of stock options. In general, the executive compensation program of the Company has been designed to:

- (i) attract and retain executive officers who contribute to the long-term success of the Company;

10

- (ii) motivate key senior executive officers to achieve strategic business objectives and reward them for the achievement of these objectives; and
- (iii) support a compensation policy that differentiates in compensation amounts based on corporate and individual performance and responsibilities.

A major component of the Company's compensation policy, which has been approved by the Compensation Committee, is that a significant portion of the aggregate annual compensation of the Company's executive officers should be based upon the Company's annual underwriting results, the achievement of the Company's other business and financial objectives and the contribution of the individual officer. For a number of years, the Company has maintained a cash incentive compensation program for the Company's executive officers. This program provides a formula pursuant to which a fixed percentage of the Company's underwriting results for the year is computed, as specified in the program, and then allocated on a discretionary basis among the executive officers selected to participate in the program for the particular year. The identity of the executive officers selected to participate in the program for the particular year as well as their participation in the amount determined by application of

the fixed formula is based upon recommendations submitted by the Company's senior executive officers to the Compensation Committee. The Compensation Committee reviews those recommendations and fixes the percentage participation of the Company's executive officers in the program. The executive officers named in the Summary Compensation Table received total payments of \$318,721 under the cash incentive compensation program for 2002 based on the Company's underwriting gain of \$2,328,321 in 2002, primarily resulting from an increase in premium rates and a significant decrease in the Company's underwriting expense ratio. In 2001, the named executive officers received no allocation under the cash compensation plan, due to the Company's underwriting loss for that year of \$6,434,816, which resulted from increases in claim frequency and competitive pressures on premium levels. Because the payments under the cash incentive plan reflect the underwriting results of the Company, the Compensation Committee believes that the amount of the incentive payments are tied directly to the Company's performance.

The principal factors considered by the Company when it established the cash incentive compensation program were:

- (i) achievement of the Company's long-term underwriting objectives; and
- (ii) the Company's long-term underwriting results compared to the long-term underwriting results of other property and casualty insurance companies.

In determining the total compensation of Mr. Nikolaus as the Company's Chief Executive Officer in 2002, the Compensation Committee conducted a subjective analysis of Mr. Nikolaus' leadership and performance as well as the following objective factors:

- o the Company's continued better-than-industry underwriting results; evidenced by statutory combined ratios of 98.0%, 102.9% and 100.6% for 2002, 2001 and 2000 respectively, compared to industry combined ratios of 106.0%, 118.0% and 110.5% for the industry;
- o the successful maintenance of the Company's cost control program initiated in 1999, which has resulted in a GAAP expense ratio of 28.2% in 2002 compared to 36.6% in 1999;
- o completion of the reduction of the number of the Company's insurance subsidiaries from five at the start of 2001 to two at the end of 2002 and the resultant cost savings and enhanced efficiency;
- o consistent growth of the Company, with premiums earned of \$185,841,193, \$167,769,854 and \$151,646,199 for 2002, 2001 and 2000, respectively;
- o completion of the home office technical center and implementation of current technology for agents and employees;

11

- o the initiation of the expansion of the Company's areas of operation to the Mid-West through the successful establishment of a relationship with Le Mars Mutual Insurance Company of Iowa, whereby the Mutual Company has made a surplus note investment and is overseeing a reunderwriting process designed to restore Le Mars to profitability and designees of the Mutual Company constitute a majority of the members of the Board of Directors of Le Mars.

The Company's executive officers participate in the Equity Incentive Plans, under which stock options are granted from time to time at not less than the fair market value of the Company's common stock on the date of grant. The options typically vest over three years. The primary purpose of the Equity Incentive Plans is to provide an incentive for the Company's long-term performance. Such stock options provide an incentive for the creation of stockholder value over the long term because the full benefit of the options can be realized only if the price of the Company's common stock appreciates over time. During 2002, no options were granted to the Company's executive officers.

Based upon all of the foregoing factors, the Compensation Committee believes the compensation of Mr. Nikolaus and the other executive officers of the Company was reasonable in view of the Company's performance and the contribution of those officers to that performance in 2002, as well as the performance of the Company in 2002 compared to its performance in 2001 and to the performance of other property and casualty insurance companies in 2002.

Section 162(m) of the Code generally disallows a tax deduction to publicly held companies for compensation of more than \$1 million paid to a company's chief executive officer or any executive officer named in its Summary

Compensation Table. Qualifying performance-based compensation is not subject to the deduction limit if certain requirements are met. The policy of the Compensation Committee is to structure the compensation of the Company's executive officers, including Mr. Nikolaus, to avoid the loss of the deductibility of any compensation, although Section 162(m) will not preclude the Compensation Committee from awarding compensation in excess of \$1 million, if it should be warranted in the future.

The Company believes that Section 162(m) will not have any effect on the deductibility of the compensation of Mr. Nikolaus and the other executive officers named in the Summary Compensation Table for 2002.

REPORT OF THE AUDIT COMMITTEE

THE FOLLOWING REPORT OF THE COMPANY'S AUDIT COMMITTEE SHALL NOT BE DEEMED PROXY SOLICITATION MATERIAL, SHALL NOT BE DEEMED FILED WITH THE SEC OR INCORPORATED BY REFERENCE INTO ANY COMPANY FILING UNDER THE EXCHANGE ACT OR THE SECURITIES ACT AND SHALL NOT OTHERWISE BE SUBJECT TO THE LIABILITIES OF SECTION 18 OF THE EXCHANGE ACT.

The Audit Committee of the Board of Directors reviews the financial reporting process, including the overview of the financial reports and other financial information provided by the Company to governmental or regulatory bodies, the public and others who rely thereon, the Company's systems of internal accounting and financial controls, the selection, evaluation and retention of independent public accountants and the annual independent audit of the Company's financial statements. Each of the Audit Committee members satisfies the definition of independent director as established in the Audit Committee Policy of the Nasdaq Stock Market and complies with the financial literacy requirements thereof. The Board of Directors adopted a written charter for the Audit Committee on June 13, 2000.

The Audit Committee has reviewed the Company's audited consolidated financial statements and discussed those statements with management. The Audit Committee has also discussed with KPMG LLP, the Company's independent public accountants during 2002, the matters required to be discussed by Statement of Auditing Standards No. 61 (Communication with Audit Committees, as amended).

The Audit Committee received from KPMG LLP the written disclosures required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and discussed with KPMG LLP matters relating to its independence. The Audit Committee also considered the compatibility of the provision of non-audit services by KPMG LLP with the maintenance of KPMG LLP's independence.

The Audit Committee has determined that the provision of the non-audit services described above is compatible with maintaining KPMG LLP's independence.

On the basis of these reviews and discussions, the Audit Committee recommended to the Board of Directors that the Company's audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2002, and be filed with the SEC.
