## PROSPECTUS SUMMARY

This summary highlights some information from this prospectus. It may not contain all of the information that is important to you. To understand this offering fully, you should read the entire prospectus carefully, including the risk factors.

We are an insurance holding company that offers property and casualty insurance through our wholly owned subsidiaries and participates in a pooling agreement with our affiliate, Donegal Mutual Insurance Company, known as the Mutual Company. Our operations are interrelated with the operations of the Mutual Company, and various reinsurance arrangements exist between our insurance subsidiaries and the Mutual Company. In addition, the Mutual Company provides us and some of our insurance subsidiaries with all of our personnel.

Donegal Group is authorized to issue 30,000,000 shares of Class A common stock, 10,000,000 shares of Class B common stock and 2,000,000 shares of preferred stock. The Class A common stock and the Class B common stock are identical, except with respect to voting rights and the payment of dividends. The Mutual Company currently owns approximately 62.2% of our Class A common stock and 62.2% of our Class B common stock.

We are offering to eligible independent insurance agencies of our subsidiaries and affiliated insurance companies, including the Mutual Company, an opportunity to acquire a proprietary interest in us through the plan. We adopted the plan to foster the common interests of us and our agencies in achieving long-term profitable growth for the Donegal Group of companies.

We have reserved 300,000 shares of Class A common stock for sale to eligible agencies under the plan for the five-year period ending September 30, 2006. The purchase price for shares of Class A common stock purchased from us under the plan will be 90% of the average closing prices of the Class A common stock on the Nasdaq National Market System on the last ten trading days of each applicable subscription period.

We will offer shares under the plan directly to eligible agencies through our officers and will not use a broker or a dealer. In addition, we will not pay commissions, discounts or any other payments to any person for services in connection with the sale of shares of Class A common stock under the plan. We will pay all costs of administering the plan. Participants will not incur brokerage commissions or service charges for the purchase of shares under the plan.

## RISK FACTORS

YOU SHOULD CONSIDER CAREFULLY THE FACTORS SET FORTH BELOW, AS WELL AS ALL OTHER INFORMATION CONTAINED OR INCORPORATED BY REFERENCE IN THIS PROSPECTUS, BEFORE YOU DECIDE TO PURCHASE SHARES OF CLASS A COMMON STOCK.

THE CYCLICAL NATURE OF THE PROPERTY AND CASUALTY INSURANCE INDUSTRY MAY REDUCE OUR REVENUES AND PROFIT MARGINS.

The property and casualty insurance industry is highly cyclical, and individual lines of business experience their own cycles within the overall industry cycle. Premium rate levels are related to the availability of insurance coverage, which varies according to the level of surplus in the industry. The level of surplus in the industry varies with returns on invested capital and regulatory barriers to withdrawal of surplus. Increases in surplus have generally been accompanied by increased price competition among property and casualty insurers. If we find it necessary to reduce premiums or limit premium increases due to these competitive pressures on pricing, it may cause a reduction in our profit margins and revenues, increase our ratios of claims and expenses to premiums and result in lower profitability for us.

Volatile and unpredictable developments also offset significantly the cyclical trends in the industry and the industry's profitability. These developments include natural disasters (such as storms, earthquakes, hurricanes, floods and fires), fluctuations in interest rates and other changes in the investment environment that affect the market prices of our investments and the income from those investments, inflationary pressures that affect the size of losses and judicial decisions that affect our liabilities. The occurrence of these developments may adversely affect our business and financial condition.

THE NATURE OF THE INSURANCE INDUSTRY LIMITS OUR ABILITY TO CHANGE PRICES TO REFLECT RISKS AND TO ESTIMATE OUR RESERVES ACCURATELY.

One of the distinguishing features of the property and casualty industry is that its products generally are priced before its costs are known. Our products are priced in this manner because premium rates usually are determined at the time the policy is issued and before losses are reported. Changes in statutory and case law can also dramatically affect the liabilities associated with known risks after the insurance policy is issued. The number of competitors and the similarity of products offered, as well as regulatory constraints, limit our ability to increase prices in response to declines in profitability. Our reported profits and losses are also determined, in part, by the establishment and adjustment of reserves reflecting estimates made by management as to the amount of losses and loss adjustment expenses that will ultimately be incurred in the settlement of claims. Our ultimate liability for all losses and loss adjustment expenses reserved at any given time will likely be greater or less than these estimates, and material shortfalls in the estimates may have a material adverse effect on us in future periods.

WE COMPETE WITH MANY INSURERS THAT ARE FINANCIALLY STRONGER THAN WE ARE.

The property and casualty insurance industry is intensely competitive. Competition is based on many factors, including the perceived financial strength of the insurer, premiums charged, policy terms and conditions, policyholder service, reputation and experience. We compete with many regional and national property and casualty insurance companies, including direct sellers of insurance products, insurers having their own agency organizations and other insurers represented by independent agents. Many of these insurers are better capitalized than we are, have substantially greater financial, technical and operating resources and have equal or higher ratings from A.M. Best Company, Inc.

The superior capitalization of many of our competitors enables them to withstand lower profit margins and, therefore, to market their products more aggressively, to take advantage more quickly of new marketing opportunities and offer lower premium rates. Moreover, if our competitors price their premiums more aggressively and we meet their pricing, our profit margins and revenues may be reduced and our ratios of claims and expenses to premiums may increase.

Our competition may become increasingly better capitalized in the future as the traditional barriers between insurance companies and banks and other financial institutions erode and as the property and casualty industry continues to consolidate. Our ability to compete against our larger, better capitalized competitors depends largely on our ability to provide superior policyholder service and to maintain our historically strong relationships with independent insurance agents, on whom we are entirely dependent to generate premium volume.

We cannot assure you that we will maintain our current competitive position in the markets in which we operate, or that we will be able to expand our operations into new markets. If we fail to do so, our business could be materially adversely affected.

WE ARE A REGIONAL INSURANCE COMPANY THAT OFFERS INSURANCE PRODUCTS IN A LIMITED NUMBER OF STATES.

We are headquartered in Pennsylvania and engage in the insurance business in approximately 15 Middle Atlantic and Southern states. In 2000, the majority of our direct premiums written, including those of the Mutual Company and our insurance subsidiaries, were geographically dispersed as follows: 63% in Pennsylvania, 15% in Virginia and 6% in Maryland. Any single catastrophic occurrence, destructive weather pattern, general economic trend or other condition disproportionately affecting losses or business conditions in these states could adversely affect our results of operations, although we and the Mutual Company maintain reinsurance against catastrophic losses in excess of \$3,000,000 per occurrence and our insurance subsidiaries maintain various catastrophe reinsurance agreements with the Mutual Company that limit the maximum liability under any one catastrophe.

THE REINSURANCE AGREEMENTS ON WHICH WE RELY ON DO NOT RELIEVE US FROM LIABILITY TO OUR POLICYHOLDERS.

We rely on reinsurance agreements to limit our maximum net loss from large single risks or risks in concentrated areas, and to increase our capacity to write insurance. Each reinsurance agreement satisfies all applicable regulatory requirements. Reinsurance, however, does not relieve us from liability to our policyholders. To the extent that a reinsurer may be unable to pay losses for which it is liable under the terms of its reinsurance agreement with us, we remain liable for such losses. However, in an effort to reduce the risk of non-payment, we require all of our reinsurers to have an A.M. Best rating of A or better or, with respect to foreign reinsurers, to have a financial condition that, in the opinion of our management, is equivalent to a company with at least an A rating. If our reinsurers incur losses from their reinsurance arrangements with us, it is probable that the reinsurance premiums payable by us in the future could increase.

WE ARE SUBJECT TO EXTENSIVE STATE INSURANCE REGULATION.

We are subject to the laws and regulations of the states in which we conduct business. These laws and regulations address many aspects of our business and financial condition, including licensure, the payment of dividends, the establishment of premium rates, the settlement of claims, the transfer of control and the requirement that we participate in assigned risk pools. Certain of the following laws and regulations could have a material adverse effect on our results of operations:

- o state insurance regulations that require us to file proposed premium rates in advance of premium rate increases;
- o state insurance regulations that mandate required levels of statutory surplus;
- o private rating organization review of our levels of statutory surplus and claims-paying ability; and
- o National Association of Insurance Commissioners, known as the NAIC, and state insurance department review of our risk-based capital levels.

Changes in the level of regulation of the insurance industry and laws or regulations themselves or interpretations by regulatory authorities could also have a material adverse effect on our operations. Specific regulatory developments that could have a material adverse effect on our operations include the potential repeal of the McCarran-Ferguson Act, which exempts insurance companies from a variety of federal regulatory requirements, possible rate rollback regulation and legislation to control premiums, policy terminations and other policy terms.

THE MUTUAL COMPANY IS OUR LARGEST SHAREHOLDER AND PROVIDES US WITH OUR FACILITIES AND SERVICES.

The Mutual Company currently owns approximately 62.2% of our outstanding Class A common stock and 62.2% of our outstanding Class B common stock and will continue to own approximately the same percentages of these classes of stock after completion of this offering.

Accordingly, the Mutual Company will continue to control the election of members of our board of directors. Although the Mutual Company could exercise its control in ways that are contrary to the interests of our stockholders other than the Mutual Company, we and the Mutual Company have established a coordinating committee consisting of two outside directors from each company who do not also serve as directors of the other company. Subsequent to approval of a matter by the separate boards of directors of Donegal Group and the Mutual Company, this committee is responsible for reviewing and approving all matters involving actual or potential conflicts of interest, including any changes to the pooling and other agreements between us and the Mutual Company, and this committee's decisions are binding on both us and the Mutual Company. In order for an intercompany transaction to be approved, our representatives on the committee must conclude that the transaction is fair and equitable to us.

We are dependent upon the Mutual Company for the retention of agents and the underwriting of insurance, the servicing of policyholder claims and all other aspects of our operations. All of our officers are officers and employees of the Mutual Company. The Mutual Company also provides all of the facilities and data processing and administrative services required to conduct our business, for which we pay a pro rata portion of the cost.

OUR BUSINESS DEPENDS IN PART ON THE MARKETING EFFORTS OF INDEPENDENT INSURANCE AGENTS, AND IT IS POSSIBLE THAT THESE AGENTS MAY NOT MARKET OUR PRODUCTS SUCCESSFULLY OR SELL OUR PRODUCTS WITHIN THE GUIDELINES WE SPECIFY.

We market and sell almost all of our insurance products through independent, non-exclusive insurance agents. These agents are not obligated to promote our insurance products exclusively and they also sell our competitors' insurance products. Our business depends in part on the marketing efforts of these agents and we must offer insurance products and services that meet the requirements of these independent agencies. If these agencies do not market our products successfully or give priority to other insurers, our business may be adversely impacted.

We also grant certain agents the authority to bind insurance without our prior approval within underwriting and pricing limits that we specify. However, we generally review all coverages placed by our agents and may cancel the coverage if it is inconsistent with our guidelines and permissible to cancel under applicable insurance regulations. If we are unable to cancel the coverage placed by an agent prior to a claim being placed by the insured, our risk may be increased and our profitability may suffer.

OUR ESTABLISHED RESERVES FOR LOSSES AND LOSS ADJUSTMENT EXPENSES ARE BASED ON ESTIMATES, AND IT IS POSSIBLE THAT OUR ULTIMATE LIABILITY WILL EXCEED THESE ESTIMATES.

We establish reserves for losses and loss adjustment expenses based on estimates of amounts needed to pay reported and unreported claims and related loss adjustment expenses. These estimates are based on facts and circumstances then known to us. Reserves are based on estimates of future trends and claims severity, judicial theories of liability and other factors.

The establishment of appropriate reserves is an inherently uncertain process, and there can be no assurance that the ultimate liability will not exceed our loss and loss adjustment expense reserves and have an adverse effect on our results of operations and financial condition.

As is the case for most property and casualty insurance companies, we have found it necessary in the past to revise estimated liabilities as reflected in our loss and loss adjustment expense reserves, and further adjustments could be required in the future. However, our management believes that adequate provision has been made for our loss and loss adjustment expense reserves. This belief is based on our internal procedures, which analyze our experience with similar cases and historical trends such as reserving patterns, loss payments, pending levels of unpaid claims and product mix, as well as court decisions, economic conditions and public attitudes.

OUR SUBSIDIARIES ARE RESTRICTED IN PAYING US DIVIDENDS, ON WHICH WE DEPEND FOR THE PAYMENT OF CORPORATE EXPENSES.

As a holding company, we rely primarily on our subsidiaries for dividends and other permitted payments to meet our obligations for corporate expenses. Payment of dividends to us by our subsidiaries is subject to regulatory restrictions and depends on the surplus of our subsidiaries. From time to time, the NAIC and various state insurance regulators consider modifying the method of determining the amount of dividends that may be paid by an insurance company without prior regulatory approval.

OUR CHARTER DOCUMENTS, DELAWARE CORPORATE LAW AND PENNSYLVANIA INSURANCE LAW MAY INHIBIT A TAKEOVER.

Certain provisions of our certificate of incorporation and by-laws and Delaware and Pennsylvania law may discourage a future unsolicited takeover of Donegal Group. These provisions could have the effect of discouraging certain attempts to acquire us or remove current management, including current members of our board of directors, even if some of our stockholders deemed these attempts to be in their best interests.

Our certificate of incorporation authorizes us to issue two classes of common stock, Class A common stock and Class B common stock. The holders of the Class A common stock are entitled to one-tenth of one vote per share, while the holders of the Class B common stock are entitled to one vote per share, on all matters submitted to a vote of our stockholders. In addition, our certificate of incorporation does not grant any holder of our stock the right to cumulate votes in the election of directors. The Mutual Company currently owns approximately 62.2% of our Class A common stock and 62.2% of our Class B common stock and has effective voting control over us. This ownership by the Mutual Company could avert or prevent a change in control of us unless the Mutual Company, after consideration of all relevant factors including the interests of our stockholders other than the Mutual Company, is in favor of such a change.

Our board of directors, without stockholder approval, has the authority to issue preferred stock with voting and conversion rights that could adversely affect the voting power of the Class A common stock. The issuance of preferred stock could have the effect of delaying, averting or preventing a change in control of us. No preferred stock has been issued, and our board of directors does not intend to issue any preferred stock at the present time.

Our by-laws provide for a classified board of directors, consisting of three classes as nearly equal in size as possible. The classification of our board of directors could have the effect

of making it more difficult for a third party to acquire, or of discouraging a third party from acquiring, control of us.

As a Delaware corporation we are subject to certain anti-takeover provisions of Delaware law, including certain business combination transaction prohibitions. In addition, we are subject to Pennsylvania insurance laws and regulations that prohibit any person from acquiring a greater than 10% interest in us without the prior approval of the Insurance Commissioner of the Commonwealth of Pennsylvania. These provisions could make it more difficult for a third party to gain control of us, deny stockholders the receipt of a premium on their Class A common stock and have a depressive effect on the market price of the Class A common stock.

#### CAUTIONARY NOTICE REGARDING FORWARD LOOKING STATEMENTS

Certain statements contained in, or incorporated by reference in, this prospectus are forward-looking in nature. These statements can be identified by the use of forward-looking words such as "believes," "expects," "may," "will," "should," "intends," "plans" or "anticipates," or the negative thereof or comparable terminology, or by discussions of strategy. You are cautioned that our business and operations are subject to a variety of risks and uncertainties and, consequently, our actual results may materially differ from those projected by any forward-looking statements. Certain of these risks and uncertainties are discussed under the heading "Risk Factors."

## DESCRIPTION OF THE 2001 AGENCY STOCK PURCHASE PLAN

We describe the provisions of the plan below, in question and answer form. As used in the plan, the term "subsidiary and affiliated insurance companies" means insurance companies that are our subsidiaries and the Mutual Company. The plan was approved by our board of directors on March 8, 2001.

### PURPOSE AND ADVANTAGES OF THE PLAN

1. What is the purpose of the plan?

The plan provides an eligible agency, as described in Question and Answer 6, an opportunity to acquire a long-term proprietary interest in us through the purchase of our Class A common stock at a discount from current market prices. In offering the plan, we seek to foster the common interests of Donegal Group and the eligible agencies in achieving long-term profitable growth for us. Accordingly, we have created the plan for the purpose of facilitating the purchase of and long-term investment in shares of our Class A common stock by an eligible agency. We expect that an eligible agency that purchases shares under the plan will hold these shares on a long-term basis, as the plan is not intended to benefit an agency that demonstrates a pattern of immediate resale of shares acquired. As discussed in Question and Answer 6 below regarding eligibility, immediate resale of shares will be a factor in our determination whether an otherwise eligible agency should remain eligible for continued participation in the plan.

2. What are the advantages of the plan?

Under the plan, an eligible agency can utilize three convenient payment methods for the purchase of our Class A common stock at a 10% discount from the current market price. You will not pay any brokerage commissions or service charges in connection with your purchase.

### ADMINISTRATION

3. Who administers the plan for participants?

A committee consisting of three persons appointed from time to time by our board of directors administers the plan. The committee may adopt rules and regulations for carrying out the plan. The committee's interpretations or constructions of the provisions of the plan are final and conclusive unless our board of directors takes contrary action.

Our board of directors appointed Donald H. Nikolaus, Ralph G. Spontak and Daniel J. Wagner to serve on the committee. We do not compensate members of the committee for administering the plan. Donald H. Nikolaus is President, Chief Executive Officer and a director of Donegal Group and the Mutual Company. Ralph G. Spontak is Senior Vice President, Chief Financial Officer and Secretary of Donegal Group and the Mutual Company. Mr. Spontak is also a director of the Mutual Company. Daniel J. Wagner is Treasurer of Donegal Group and the Mutual Company. The address and telephone number of each member of the committee is c/o Donegal Group Inc., 1195 River Road, Marietta, PA 17547; telephone (888) 877-0600.

4. Where can I obtain additional information about the plan and its administrators?

You can obtain additional information about the plan and its administrators by contacting Ralph G. Spontak, our Senior Vice President, Chief Financial Officer and Secretary, at (888) 877-0600.

5. What is the term of the plan?

The plan will be in effect from September 30, 2001 through September 30, 2006 unless our board of directors terminates the plan earlier. The board of directors has the right to terminate the plan at any time without notice provided that no participant's existing rights are adversely affected by the termination. During the term of the plan there will be ten consecutive semi-annual subscription periods. Each subscription period extends from October 1 through March 31 and from April 1 through September 30, respectively, beginning with October 1, 2001 and ending on September 30, 2006.

#### PARTICIPATION

6. What agencies are eligible to participate?

An eligible agency is an independent insurance agency that brings value to Donegal Group, the Mutual Company and our subsidiary and affiliated insurance companies, directly or indirectly, as determined by us in our discretion, and with which we seek a long-term relationship. Only eligible agencies may participate in the plan. The eligibility criteria we will consider includes the agency's volume of direct premiums written, the ability of the agency to increase sales and grow the volume of direct premiums written, the historic loss ratio of the agency's direct premiums written and whether the agency has been placed on rehabilitation by us, meaning that we notify the agency of operational deficiencies, or had its binding authority revoked. We may base eligibility on agency segmentation class or any other factors that indicate value to the companies, directly or indirectly, in our discretion.

We will periodically review an eligible agency's continued eligibility. A pattern of immediate resale of shares acquired under the plan by an eligible agency will be a factor in our determination whether an agency should remain eligible for continued participation in the plan. Immediate resales would tend to indicate that an agency is not seeking to share in the long-term profitable growth of the companies. If Donegal Group determines to discontinue an agency's participation in the plan, the agency will receive written notice from us that its eligibility to participate in the plan has been discontinued. This notice will be sent to the agency as promptly as possible, but in no event later than 30 days after the end of the subscription period during which the decision was made. A decision by us, in our discretion, to discontinue the eligibility of an agency under the plan will be treated as an automatic withdrawal from the plan. See Questions and Answers 24 and 25 below.

7. How may an eligible agency participate in the plan?

An eligible agency may enroll in the plan by completing and filing a subscription agreement, as described in Question and Answer 8, with us. We will send to each eligible agency a subscription agreement, a copy of this prospectus and any prospectus supplements and a copy of our most recent Annual Report to Stockholders prior to the beginning of the first enrollment period following the agency's designation as an eligible agency.

8. What does a subscription agreement provide?

A subscription agreement allows each eligible agency to decide and identify the date on which the agency desires to become enrolled in the plan, the amounts of contribution and the payment method(s) selected for purchases under the plan. Eligible agencies that participated in our former Agency Stock Purchase Plan may participate in the plan by checking the appropriate box on the subscription agreement. Prior contribution amounts and payment method(s) will be carried over from the former Agency Stock Purchase Plan unless new instructions are given in the subscription agreement.

9. When may an eligible agency enroll in the plan?

If an eligible agency chooses the direct bill commission payment method, as explained in Question and Answer 15, enrollment in the plan may occur only during the enrollment period preceding each subscription period, which is from the 15th through the 31st day of March and from the 15th through the 30th day of September of each year commencing with September, 2001, except that the first enrollment period will be from the 30th day of September, 2001 through the 31st day of October, 2001. An eligible agency that desires to subscribe for the purchase of Class A common stock through withholding from direct bill commissions must return a duly executed and completed subscription agreement during the applicable enrollment period. Once enrolled in the direct bill commission payment method, an eligible agency's participation in the plan continues for each succeeding subscription period until the agency ceases to be an eligible agency or withdraws from enrollment in the plan.

If an eligible agency chooses the lump-sum payment method, as explained in Question and Answer 17, an eligible agency may enroll by submitting a supplemental subscription agreement to us and making a lump-sum payment by the last day of the applicable subscription period, September 30 or March 31 or, in the case of the first subscription period, by the last day of the first enrollment period, October 31, 2001.

If an eligible agency chooses the contingent commission payment method, as explained in Question and Answer 18, an eligible agency may enroll by submitting a subscription agreement during the enrollment period immediately preceding each October 1 through March 31 subscription period.

10. May an eligible agency transfer its subscription rights to another person or agency?

No. An eligible agency may not assign its subscription payments or rights to subscribe to any other person, and any such attempted assignment is void, except for permitted designations as described in Question and Answer 23.

#### COSTS AND EXPENSES

11. Are there any expenses to participants in connection with purchases under the plan?

No. Eligible agencies are not obligated to pay any brokerage commissions or other charges with respect to the purchase of Class A common stock under the plan.

#### PURCHASES

12. How many shares are available to be purchased under the plan?

Our board of directors reserved 300,000 shares of our Class A common stock for sale under the plan.

13. What is the price of shares of Class A common stock purchased under the plan?

The subscription price for each share of Class A common stock purchased under the plan is 90% of the average of the closing prices of the Class A common stock on the Nasdaq National Market System on the last ten trading days of the applicable subscription period.

14. How may an eligible agency pay for shares purchased under the plan?

An eligible agency can pay for shares purchased under the plan by means of three payment methods: Direct bill commission deduction, lump-sum payment or contingent commission deduction.

15. What is the direct bill commission payment method?

Under the direct bill commission payment method, an eligible agency may elect to purchase Class A common stock under the plan through deductions from its monthly direct bill commission payment by designating that a minimum of 1% and up to a maximum of 10% of the eligible agency's monthly direct bill commission payments be withheld from the eligible agency's direct bill commission payments. Direct bill commission payments are subject to the total subscription limit under all payment methods of \$12,000 per subscription period. "Direct bill commission payments" means those commissions that are earned and actually available for payment in a monthly period to an eligible agency for personal and commercial direct bill policies after all offsetting debits and credits are applied, as determined solely from our records.

16. May an eligible agency that chooses the direct bill commission payment method change the method or amount of contribution made or withheld under the plan?

Yes. An eligible agency choosing the direct bill commission payment method may change the rate of contribution by filing a new subscription agreement with us during the enrollment period for the next subscription period. This change will become effective during the next subscription period.

17. What is the lump-sum payment method?

Under the lump-sum payment method, an eligible agency may, by September 30 and March 31 of each subscription period, or in the case of the first subscription period, by October 31, 2001, elect to make lump-sum cash payments for the purchase of Class A common stock under the plan. Lump-sum cash payments may not be less than \$1,000 per subscription period and are subject to the total subscription limit under all methods of \$12,000 per subscription period.

18. What is the contingent commission payment method?

An eligible agency may designate a percentage of the contingent commission payable to it under the terms of the applicable agency contingency plan (or its equivalent) to be withheld for the purchase of Class A common stock under the plan during the enrollment period immediately preceding the October 1 through March 31 subscription period. Contingent commission payments are subject to the total subscription limit under all payment methods of \$12,000 per subscription period.

19. Are there limitations on the amount of contributions or purchases that can be made?

Yes. Each eligible agency's total contributions for purchases from all payment methods (described in Questions and Answers 15, 17 and 18 above) may not exceed \$12,000 during each subscription period. At the close of each subscription period, we will total each agency's contributions from all payment methods. If at any time throughout a subscription period, an eligible agency's total payments exceed the \$12,000 maximum amount and the agency so requests, we will return the excess amount without interest to the agency within a reasonable period. Any amount not returned will be applied to the purchase of Class A common stock during the next subscription period without reducing the \$12,000 limitation applicable to that subscription period.

20. How are purchases made under the plan?

We will maintain on our books a plan account for each enrolled eligible agency. All contributions made by an eligible agency through deductions from an eligible agency's direct bill commission payments and contingent commission withholding and lump-sum payments during a subscription period, up to \$12,000, are held in a separate bank account maintained by us until the shares purchased under the plan are issued to the eligible agency. At the end of each subscription period, the amount credited to each eligible agency's plan account will be divided by the subscription price for the subscription period, and the eligible agency's plan account will be

credited with the number of whole shares that results. Any amount remaining in the plan account will be carried forward to the next subscription period without reducing the \$12,000 limitation applicable to that subscription period or, if requested by the eligible agency, returned to the eligible agency. If the number of shares subscribed for during any subscription period exceeds the number of shares available for sale under the plan, the remaining available shares will be allocated among the participating eligible agencies in proportion to their total plan account balances, without regard to any amount carried forward from a previous subscription period.

#### SHARES; CERTIFICATES FOR SHARES

21. May an eligible agency transfer, pledge, hypothecate or assign shares credited to the agency's plan account?

An eligible agency may not transfer, pledge, hypothecate or assign its subscription rights under the plan or shares credited to its plan account, except for permitted designations as described in Question and Answer 23.

22. Are stock certificates issued for shares of Class A common stock purchased?

We will issue and deliver to each eligible agency stock certificates for the shares it has purchased under the plan within a reasonable time after purchase, but in no event later than 30 days after the end of the subscription period during which the shares were purchased.

23. In whose name are accounts maintained and certificates registered when issued?

Accounts in the plan will be maintained in the name of the eligible agency. Consequently, certificates when issued for full shares will be registered in the same name. An eligible agency may, upon written request to us, (a) designate that shares be issued to a shareholder, partner, other principal or other licensed employee of an eligible agency or (b) designate that any retirement plan maintained by or for the benefit of an eligible agency or a shareholder, partner, other principal or other licensed employee of the eligible agency may purchase shares instead of the eligible agency through lump-sum payments made by the designee. These permitted designations are subject to the maximum amount limitation of \$12,000, compliance with all laws that apply, including the Employee Retirement Income Security Act of 1974, payment by the eligible agency or its designee of any required transfer taxes and satisfaction of our usual requirements for recognition of a transfer of our Class A common stock.

#### WITHDRAWAL FROM THE PLAN

24. How and when may an eligible agency withdraw from the plan?

An enrolled eligible agency may withdraw from the plan at any time by notifying us in writing, signed on behalf of the eligible agency by an authorized representative. We will treat a termination of agency status for any reason as an automatic withdrawal. If an agency withdraws from the plan, that agency may not resubscribe until after the next full subscription period has elapsed, and then only if we have redesignated the agency an eligible agency.

25. What happens to any shares held in and amounts credited to an eligible agency's plan account at the time of withdrawal?

Promptly after the time of withdrawal or termination of an agency's eligibility, but in no event later than 30 days after the end of the subscription period during which the withdrawal or termination occurred, we will issue certificates representing the whole shares held under the plan in the name of the agency, and will refund any amount credited to an eligible agency's plan account at the time of withdrawal to the participant in cash without interest.

#### OTHER INFORMATION

26. What happens if Donegal Group declares a stock split or stock dividend or changes or exchanges its Class A common stock for shares of stock or other securities of its own or another corporation?

Our committee will make appropriate adjustments in the total number and kind of shares that are reserved for sale under the plan if our outstanding shares of Class A common stock are increased or decreased or changed into or exchanged for a different number or kind of shares or other securities of Donegal Group, or of another corporation, by reason of reorganization, merger, consolidation, recapitalization, reclassification, stock split-up, stock dividend (either in shares of our Class A common stock or of another class of our stock), spin-off or combination of shares.

27. What are the federal income tax consequences of an eligible agency's participation in the plan?

At the time of purchase, and where an eligible agency purchases shares of Class A common stock in its own name, the eligible agency will be treated as having received ordinary income in an amount equal to the difference between the subscription price paid and the then fair market value of the Class A common stock acquired. At the end of each calendar year, we will mail to each participating agency a Form 1099 reflecting the amount of ordinary income earned under the plan. We will be entitled to a tax deduction at the same time in a corresponding amount. The participating agency's basis in the Class A common stock purchased under the plan will be equal to the purchase price plus the amount of ordinary income recognized.

When an agency disposes of shares of Class A common stock purchased under the plan, any amount received in excess of the value of the shares of Class A common stock on which the agency was previously taxed will be treated as a long-term or short-term capital gain, depending upon the holding period of the shares. If the amount received is less than that value, the loss will be treated as a long-term or short-term capital loss, depending upon the holding period of the shares (which begins on the day after each share is acquired).

You are strongly advised to consult with a tax advisor to determine the tax consequences of a given transaction, particularly if a taxpayer other than you has been designated by you to become a participant in the plan.

28. May the plan be changed or discontinued?

Yes. Our board of directors has the right to amend, modify or terminate the plan at any time without notice if your existing rights are not adversely affected as a result of the amendment, modification or termination.

29. How may eligible agencies sell shares of Class A common stock purchased under the plan?

As discussed in Question and Answer 22, we will issue and deliver to eligible agencies the stock certificates for the shares purchased under the plan after the end of the subscription period during which the shares were purchased. Participants will have the sole discretion as to whether or when to sell their shares and may transfer or dispose of them at any time without restriction after receipt of their stock certificates. An agency may choose to sell shares through the broker of his or her choice.

## DESCRIPTION OF CAPITAL STOCK

### GENERAL

Our authorized Class A Common stock consists of 30,000,000 shares. As of July 31, 2001, 5,973,804 shares of our Class A common stock were issued and outstanding. We also have authorized 10,000,000 shares of Class B common stock, of which 2,978,759 shares were issued and outstanding on July 31, 2001, and 2,000,000 shares of preferred stock issuable from time to time in separate series upon resolution of our board of directors, none of which are outstanding. Except as otherwise required by the Delaware General Corporation Law, known as the DGCL, or as otherwise provided in our certificate of incorporation with respect to dividends and voting rights, each share of Class A common stock and each share of Class B common stock have identical powers, preferences and limitations.

Our certificate of incorporation provides that the holders of shares of Class A common stock are entitled to one-tenth of one vote per share held on any matter to be voted on by our stockholders, while the holders of shares of Class B common stock are entitled to one vote per share. Except as otherwise required under the DGCL or our certificate of incorporation, the holders of Class A common stock and the holders of Class B common stock vote together as a single class on all matters presented to our stockholders for a vote.

At any election of directors, the nominees receiving the highest number of votes cast by the holders of the Class A common stock and the Class B common stock for the number of directors to be elected will be elected as directors.

Under the DGCL and our certificate of incorporation, the affirmative vote of the holders of a majority of the Class A common stock and the Class B common stock, voting as a single class, is sufficient to amend our certificate of incorporation, to authorize additional shares of capital stock of any class, to approve any merger or consolidation of us with or into any other entity or the sale of all or substantially all of our assets or to approve our dissolution.

Under the DGCL, the holders of shares of Class A common stock are entitled to vote as a separate class on any proposal to change the par value of the Class A common stock or to alter or change the rights, preferences and limitations of the Class A common stock in a way that would affect the holders of shares of Class A common stock adversely. Similarly, the holders of shares of Class B common stock are entitled to vote as a separate class on any proposal to change the par value of the Class B common stock or to alter or change the rights, preferences and limitations of the Class B common stock in a way that would affect the holders of shares of Class B common stock adversely. In addition, under the DGCL, the number of authorized shares of Class A common stock or Class B common stock may be increased or decreased, but not below the number of shares then outstanding, by the affirmative vote of the holders of a majority of the respective class of common stock voting as a separate class.

Our certificate of incorporation provides that each share of Class A common stock outstanding at the time of the declaration of any cash dividend or other distribution payable upon the shares of Class B common stock is entitled to a cash dividend or distribution payable at the

same time and to stockholders of record on the same date in an amount at least 10% greater than any cash dividend declared upon each share of Class B common stock. Each share of Class A common stock and Class B common stock is equal in respect to dividends or other distributions payable in shares of capital stock except that the dividends or distributions may be made (1) in shares of Class A common stock to the holders of Class A common stock and in shares of Class B common stock to the holders of Class B common stock, (2) in shares of Class A common stock to the holders of Class A common stock and to the holders of Class B common stock or (3) in any other authorized class or series of capital stock to the holders of Class A common stock and to the holders of Class B common stock.

There are no redemption or sinking fund provisions applicable to the Class A common stock or to the Class B common stock. All the shares of Class A common stock offered by us pursuant to this prospectus, when issued and paid for, will be fully paid and non-assessable.

Each holder of Class A common stock and each holder of Class B common stock is entitled to receive the same per share consideration in a merger or consolidation of us into another entity except that, if the consideration paid to our stockholders consists in whole or in part of shares of another entity, the shares of the other entity issued to the holders of our Class B common stock may have greater voting rights than the shares of the other entity issued to the holders of our Class A common stock.

Neither the Class A common stock nor the Class B common stock is convertible into another class of common stock or any other security of Donegal Group.

The transfer agent and registrar for our Class A common stock is EquiServe.

#### CERTAIN CHARTER AND BY-LAW PROVISIONS; DELAWARE ANTI-TAKEOVER PROVISIONS

Our certificate of incorporation, by-laws and the DGCL contain certain provisions that may enhance the likelihood of continuity and stability in the composition of our board of directors and may discourage a future unsolicited takeover of Donegal Group. These provisions could have the effect of discouraging certain attempts to acquire us or remove current management, including current members of our board of directors, even if some of our stockholders deemed these attempts to be in their best interests.

Our certificate of incorporation authorizes us to issue two classes of common stock, Class A common stock and Class B common stock. The holders of the Class A common stock are entitled to one-tenth of one vote per share, while the holders of the Class B common stock are entitled to one vote per share, on all matters submitted to a vote of our stockholders. In addition, our certificate of incorporation does not grant any holder of our stock the right to cumulate votes in the election of directors. The Mutual Company currently owns approximately 62.2% of our Class A common stock and 62.2% of our Class B common stock and has effective voting control over us. This ownership by the Mutual Company could avert or prevent a change in control of us unless the Mutual Company, after consideration of all relevant factors including the interests of our stockholders other than the Mutual Company, is in favor of such a change.

Our board of directors, without stockholder approval, has the authority to issue preferred stock with voting and conversion rights that could adversely affect the voting power of the Class A common stock. The issuance of preferred stock could have the effect of delaying, averting or preventing a change in control of us. No preferred stock has been issued, and our board of directors does not intend to issue any preferred stock at the present time.

Our by-laws provide for a classified board of directors consisting of three classes as nearly equal in size as possible. The classification of our board of directors could have the effect of making it more difficult for a third party to acquire, or of discouraging a third party from acquiring, control of us.

We are a Delaware corporation that is subject to certain anti-takeover provisions of the DGCL. The business combination provisions contained in Section 203 of the DGCL defines an interested stockholder of a corporation as any person that (1) owns, directly or indirectly, or has the right to acquire, 15% or more of the outstanding voting stock of the corporation or (2) is an affiliate or associate of the corporation and was the owner of 15% or more of the outstanding voting stock of the corporation at any time within the three-year period immediately prior to the date on which it is sought to be determined whether the person is an interested stockholder; and the affiliates and the associates of the person. Under Section 203, a Delaware corporation may not engage in any business combination with any interested stockholder for a period of three years following the date the stockholder became an interested stockholder, unless (1) prior to that date the board of directors of the corporation approved either the business combination or the transaction which resulted in the stockholder becoming an interested stockholder, (2) upon consummation of the transaction which resulted in the stockholder becoming an interested stockholder, the interested stockholder owned at least 85% of the voting stock of the corporation outstanding at the time the transaction commenced (excluding, for determining the number of shares outstanding, (a) shares owned by persons who are directors and officers and (b) employee stock plans, in certain instances) or (3) on or after that date the business combination is approved by the board of directors and authorized at an annual or special meeting of stockholders by at least 66-2/3% of the outstanding voting stock that is not owned by the interested stockholder.

The restrictions imposed by Section 203 will not apply to a corporation if the corporation, by the action of its stockholders holding a majority of the outstanding stock, adopts an amendment to its certificate of incorporation or by-laws expressly electing not to be governed by Section 203. The amendment will not be effective until 12 months after adoption and will not apply to any business combination between the corporation and any person who became an interested stockholder of the corporation on or prior to the adoption of the amendment.

We have not elected to opt out of Section 203, and the restrictions imposed by Section 203 apply to us. Section 203 could, under certain circumstances, make it more difficult for a third party to gain control of us, deny stockholders the receipt of a premium on their Class A common stock and have a depressive effect on the market price of the Class A common stock.

In addition, we are subject to Pennsylvania insurance laws and regulations that prohibit any person from acquiring a greater than 10% interest in us without the prior approval of the Insurance Commissioner of the Commonwealth of Pennsylvania. These provisions could make it more difficult for a third party to gain control of us, deny stockholders the receipt of a premium on their Class A common stock and have a depressive effect on the market price of the Class A common stock.

#### LIMITATION OF LIABILITY; INDEMNIFICATION

As permitted by the DGCL, Article 6 of our certificate of incorporation provides that our directors will not be personally liable to us or our stockholders for monetary damages for breach of fiduciary duty as a director, except for liability (1) for any breach of the director's duty of loyalty to us or our stockholders, (2) acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (3) under Section 174 of the DGCL, relating to prohibited dividends, distributions and repurchases or redemptions of stock or (4) for any transaction from which the director derives an improper personal benefit.

Article 5 of our by-laws includes provisions for indemnification of our directors and officers to the fullest extent permitted by the DGCL as now in effect or as in effect at a later date. Insofar as indemnification for liabilities arising under the federal securities laws may be permitted to directors, officers and persons controlling us under these provisions, we have been informed that in the opinion of the SEC this indemnification is against public policy as expressed in federal securities laws and is unenforceable.

#### PLAN OF DISTRIBUTION

We have reserved 300,000 shares of Class A common stock for sale to eligible agencies under the plan for the five-year period ending September 30, 2006. We will offer the shares of Class A common stock under the plan directly to eligible agencies through our officers and will not use a broker or a dealer. In addition, we will not pay commissions, discounts or any other payments to any person for services in connection with the offer or sale of shares of Class A common stock under the plan. We will pay all costs of administering the plan. Participants will not incur brokerage commissions or service charges for the purchase of shares under the plan.

#### USE OF PROCEEDS

No minimum amount of proceeds is required to be received by Donegal Group in this offering. Donegal Group will retain all proceeds from the sale of the shares of Class A common stock under the plan. We intend to use the proceeds from sales of these shares for general corporate purposes, including making investments in and advances to our subsidiaries.

## EXPERTS

The consolidated financial statements and schedules of Donegal Group as of December 31, 2000 and 1999, and for each of the years in the three-year period ended December 31, 2000, have been incorporated by reference in this prospectus and in the registration statement in reliance upon the reports of KPMG LLP, independent certified public accountants, incorporated by reference in the prospectus, and upon the authority of that firm as experts in accounting and auditing.

## LEGAL OPINION

The validity of the issuance of the shares of Class A common stock offered with this prospectus will be passed upon for us by Duane, Morris & Heckscher LLP, Philadelphia, Pennsylvania. As of April 20, 2001, persons who are partners of or of counsel to Duane, Morris & Heckscher LLP beneficially owned 25,594 shares of our outstanding Class A common stock, and 12,797 shares of our outstanding Class B common stock, of which 5,926 shares represent shares of Class A common stock purchasable under currently exercisable stock options and 2,963 shares represent shares of Class B common stock purchasable under currently exercisable stock options. In addition, Frederick W. Dreher, a partner of Duane, Morris & Heckscher LLP, is a director of the Mutual Company and is one of its members on the coordinating committee. The Mutual Company is a holder of approximately 62.2% of our Class A common stock and 62.2% of our Class B common stock.

ITEM 15. INDEMNIFICATION OF DIRECTORS AND OFFICERS.

Section 145 of the General Corporation Law of the State of Delaware empowers a Delaware corporation to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation) by reason of the fact that such person is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit or proceeding if such person acted in good faith and in a manner such person reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe such person's conduct was unlawful. The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon plea of nolo contendere or its equivalent, does not, of itself, create a presumption that the person did not act in good faith and in a manner which such person reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had reasonable cause to believe that such person's conduct was unlawful.

In the case of an action or suit by or in the right of the corporation to procure a judgment in its favor, Section 145 empowers a corporation to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by reason of the fact that such person is or was acting in any of the capacities set forth above against expenses (including attorneys' fees) actually and reasonably incurred by such person in connection with the defense or settlement of such action or suit if such person acted in good faith

and in a manner such person reasonably believed to be in or not opposed to the best interests of the corporation, except that indemnification is not permitted in respect of any claim, issue or matter as to which such person is adjudged to be liable to the corporation unless and only to the extent that the Court of Chancery or the court in which such action or suit was brought determines upon application that, despite the adjudication of liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which the Court of Chancery or such other court deems proper.

Section 145 further provides that a Delaware corporation is required to indemnify a director, officer, employee or agent against expenses (including attorneys' fees) actually and reasonably incurred by such person in connection with any action, suit or proceeding or in defense of any claim, issue or matter therein as to which such person has been successful on the merits or otherwise; that indemnification provided for by Section 145 shall not be deemed exclusive of any other rights to which the indemnified party may be entitled; that indemnification provided for by Section 145 shall, unless otherwise provided when authorized or ratified, continue as to a person who has ceased to be a director, officer, employee or agent and shall inure to the benefit of such person's heirs, executors and administrators; and empowers the corporation to purchase and maintain insurance on behalf of a director or officer against any liability asserted against such person and incurred by such person in any such capacity or arising out of such person's status as such whether or not the corporation would have the power to indemnify such person against such liability under Section 145. A Delaware corporation may provide indemnification only as authorized in the specific case upon a determination that indemnification of the director, officer, employee or agent is proper in the circumstances because such person has met the applicable standard of conduct. Such determination is to be made (i) by a majority vote of the directors who were not parties to such action, suit or proceeding, or (ii) by a committee of such directors designated by the majority vote of such directors, or (iii) if there are no such directors, or if such directors so direct, by independent legal counsel in a written opinion or (iv) by the stockholders.

Article 5 of Donegal Group's By-laws provides for indemnification of directors and officers of Donegal Group to the fullest extent permitted by the General Corporation Law of the State of Delaware, as presently or hereafter in effect. The By-laws of the Mutual Company also provide that the Mutual Company shall indemnify to the full extent authorized by law any director or officer of the Mutual Company who is made, or threatened to be made, a party to any action or proceeding, whether criminal, civil, administrative or investigative, by reason of the fact that such person is or was serving as a director, officer, employee or agent of Donegal Group, or is or was serving as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise at the request of the Mutual Company.

Donegal Group provides liability insurance for directors and officers for certain losses arising from claims or charges made against them while acting in their capacities as directors or officers of Donegal Group up to an aggregate of \$5,000,000 inclusive of defense costs, expenses and charges.

Additionally, as permitted by the General Corporation Law of the State of Delaware, Article 6 of Donegal Group's Certificate of Incorporation provides that no director of Donegal Group shall incur personal liability to Donegal Group or its stockholders for monetary damages for breach of such person's fiduciary duty as a director; provided, however, that the provision does not eliminate or limit the liability of a director for (i) any breach of the director's duty of loyalty to Donegal Group or its stockholders; (ii) acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law; (iii) the unlawful payment of dividends or unlawful purchase or redemption of stock under Section 174 of the General Corporation Law of the State of Delaware; or (iv) any transaction from which the director derived an improper personal benefit.

ITEM 17. UNDERTAKINGS.

The undersigned Registrant hereby undertakes:

(a) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) to include any prospectus required by section 10(a)(3) of the Securities Act;

(ii) to reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume

of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the SEC pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective Registration Statement; and

(iii) to include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement.

provided, however, that paragraphs (a)(i) and (a)(ii) of this section do not apply if the registration statement is on Form S-3 or Form S-8 and the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the SEC by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the Registration Statement.

(b) For the purpose of determining any liability under the Securities Act, to treat each post-effective amendment as a new registration statement relating to the securities offered therein, and the offering of such securities at that time to be the initial bona fide offering thereof.

(c) To file a post-effective amendment to remove from registration any of the securities being registered that remain unsold at the termination of the offering.

(d) That, for the purpose of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

The undersigned Registrant hereby further undertakes to deliver or cause to be delivered with the prospectus, to each person to whom the prospectus is sent or given, the latest annual report to security holders that is incorporated by reference in the prospectus and furnished pursuant to and meeting the requirements of Rule 14a-3 or Rule 14c-3 under the Exchange Act; and, where interim financial information required to be presented by Article 3 of Regulation S-X is not set forth in the prospectus, to deliver, or cause to be delivered, to each person to whom the prospectus is sent or given, the latest quarterly report that is specifically incorporated by reference in the prospectus to provide such interim financial information.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant, the Registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification

against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

SIGNATURES

Pursuant to the requirements of the Securities Act of 1933, the registrant certifies that it has reasonable grounds to believe that it meets all of the requirements for filing on Form S-2 and has duly caused this Registration Statement to be signed on its behalf by the undersigned, thereunto duly authorized, in Marietta, Pennsylvania, on September 24, 2001.

RE: IMPORTANT CHANGES TO THE DONEGAL AGENCY STOCK PURCHASE PLAN

Dear Agent:

Enclosed is a brochure highlighting the new Donegal Agency Stock Purchase Plan (the Plan), a Plan prospectus, latest Donegal Group Inc. Annual Report and Form 10-Q, and a Subscription Agreement form.

Due to the recent recapitalization of Donegal Group Inc. that created two separate classes of common stock, the Company was required to adopt a new Agency Stock Purchase Plan. AS A RESULT, ALL PARTICIPANTS IN THE PREVIOUS PLAN MUST RE-ENROLL IN THE NEW PLAN IN ORDER TO CONTINUE TO PARTICIPATE IN A COMMISSION WITHHOLDING METHOD. Any funds remaining in your current account after the purchase of stock on September 30, 2001, will be returned to you.

The first subscription period of the new Plan will commence on October 1, 2001 and end on March 31, 2002. If you elect to participate in this subscription period, please complete the enclosed Subscription Agreement form indicating your preference of payment method.

If you select the lump sum payment method, the Subscription Agreement and payment may be submitted at any time prior to the end of the subscription period.

If you select the direct bill or contingent commission method, the Subscription Agreement must be submitted to our office prior to November 1, 2001, in order for your agency to be enrolled in the first subscription period.

Should any questions arise, please feel free to contact Dan Wagner or Jeff Miller at 1-888-877-0600.

Sincerely,

Ralph G. Spontak  
Senior Vice President & CFO

## AGENCY STOCK PURCHASE PLAN SUMMARY

### DONEGAL GROUP INC.

The items in this brochure are intended to be summaries of some of the major provisions contained in the Donegal Group Inc. Agency Stock Purchase Plan. Please refer to the prospectus for a complete discussion of each item. This brochure is not a solicitation to sell Donegal Group Inc. Class A common stock and must be accompanied by a prospectus for the plan.

#### WHAT IS THE PURPOSE OF THE PLAN?

The Company has created the Plan for the purpose of facilitating the purchase and long-term investment in its shares by eligible agencies, thereby fostering stable long-term relationships between the Company's affiliates and their agencies.

#### WHAT ARE THE ADVANTAGES OF THE PLAN?

Eligible agencies can purchase the Company's Class A common stock at a 10% discount from current market prices without incurring any brokerage commissions or service charges.

#### WHO IS ELIGIBLE TO PARTICIPATE?

All agencies meeting the eligibility guidelines specified in the prospectus are permitted to participate.

#### HOW MAY AN ELIGIBLE AGENCY BUY STOCK UNDER THE PLAN?

There are three ways to buy stock under the plan:

##### (1) DIRECT BILL COMMISSION METHOD.

You may have deductions made from your monthly direct bill commission payments ranging from a minimum of 1% to a maximum of 10%.

##### (2) LUMP-SUM PAYMENT METHOD.

You may elect to make a lump-sum cash payment of not less than \$1,000 per subscription period.

##### (3) CONTINGENT COMMISSION METHOD.

You may designate a percentage of your contingent commission to purchase stock for the October through March 31 subscription period.

#### HOW IS THE PRICE OF THE STOCK DETERMINED?

The price for each share will be 90% of the average of the closing prices of the Class A common stock on the Nasdaq National Market on the last ten trading days of the subscription period.

#### IN WHOSE NAME CAN CERTIFICATES BE REGISTERED WHEN ISSUED?

Although an eligible agency may not assign its subscription rights to any other person, it may designate that the shares be issued to any stockholder, partner, principal or other licensed employee of such eligible agency or designate that the shares be issued to any retirement plan maintained for the benefit of such eligible agency stockholder, partner, principal or licensed employee.

#### IS THERE A LIMIT TO HOW MUCH STOCK AN AGENCY CAN BUY?

An agency may purchase up to \$12,000 of Class A common stock in any one subscription period from all methods combined.

#### WHEN ARE THE SUBSCRIPTION PERIODS?

There will be two consecutive subscription periods each year: From October 1 through March 31, and April 1 through September 30. You must enroll for the Direct Bill Method between the 15th through the 30th day of September for the subscription period beginning October 1, except in the case of the first Subscription Period, for which enrollment extends from the 30th day of September, 2001 to the 31st day of October, 2001, and between the 15th through the 31st day of March for the subscription period beginning April 1. For the Contingent Commission Method you must enroll between the 15th through the 30th day of September, except in the case of the first Subscription Period, for which enrollment extends from the 30th day of September, 2001 to the 31st day of October, 2001.

#### MAY AN ELIGIBLE AGENCY WITHDRAW FROM THE PLAN?

An enrolled agency may withdraw from the Plan at any time by giving written notice to the Company.

#### HOW DO I ENROLL MY AGENCY IN THE PLAN?

An eligible agency may enroll in the Plan by completing a subscription agreement and returning it to the Company prior to the applicable deadline.

WHERE CAN I GET MORE INFORMATION ABOUT THE PLAN?

For more information contact Ralph G. Spontak, Senior Vice President, Chief Financial Officer and Secretary of the Company, at (888) 877-0600 or FAX at (717) 426-7009.

DONEGAL GROUP INC.  
AMENDED AND RESTATED  
2001 AGENCY STOCK PURCHASE PLAN

SEPTEMBER 17, 2001

1. Purpose.

The Donegal Group Inc. 2001 Agency Stock Purchase Plan (this "Plan") has been established by Donegal Group Inc. (the "Company") for the benefit of eligible independent insurance agencies of the Company and Donegal Mutual Insurance Company (the "Mutual Company"), and the Company's subsidiary and affiliated insurance companies, which shall be those insurance companies 50% or more of whose stock is owned by the Company or the Mutual Company or with which the Mutual Company has a management agreement (collectively, the "Companies"). This Plan provides an Eligible Agency (as defined in Section 2) an opportunity to acquire a long-term proprietary interest in the Company through the purchase of the Company's Class A Common Stock (the "Class A Common Stock") at a discount from current market prices. In offering this Plan, the Company seeks to foster the common interests of the Company and Eligible Agencies in achieving long-term profitable growth for the Company. Accordingly, the Company has created this Plan to facilitate the purchase and long-term investment in shares of the Class A Common Stock by Eligible Agencies.

2. Eligible Agencies.

An agency designated as an Eligible Agency by the Company is thereafter eligible to participate in this Plan. An Eligible Agency shall be an agency that, as determined by the Company in its discretion, is an agency that brings value to the Companies and with which the Companies seek a long-term relationship. The eligibility criteria the Company will consider will include the agency's premium volume, the potential growth of such premium volume, the profitability of the agency's business and whether the agency has been placed on rehabilitation by the Company or had its binding authority revoked. The Company, in its discretion, may base eligibility on agency segmentation class or any other factors that indicate value, directly or indirectly, to the Companies. Continued eligibility will be subject to the Company's periodic review. A pattern of immediate resale of the Class A Common Stock acquired under this Plan by an Eligible Agency shall be a factor in the Company's determination whether an agency should remain eligible for continued participation in this Plan because immediate resales would tend to indicate that an Eligible Agency is not seeking to share in the long-term profitable growth of the Companies. A decision by the Company, in its discretion, to discontinue the eligibility of an agency under this Plan, will be treated as an automatic withdrawal from this Plan. See Section 9 below.

3. Methods of Payment and Amount of Contribution.

There shall be three methods of payment to purchase shares of the Class A Common Stock under this Plan. Subject to the provisions of Section 11(b), an Eligible Agency may elect any of the

payment methods individually or in combination. In each Subscription Period (as defined in Section 4) an Eligible Agency may contribute an aggregate maximum of \$12,000 toward the purchase of Class A Common Stock under all payment methods combined (the "Maximum Amount"), subject to the limitations set forth below:

(a) An Eligible Agency may elect to purchase Class A Common Stock through deductions from its monthly direct bill commission payments. Under this method, an Eligible Agency shall designate no less than 1% and no more than 10% of the Eligible Agency's direct bill commission payments to be withheld from the Eligible Agency's direct bill commission payments; provided, however, that no more than \$12,000 will be withheld by the Company from direct bill commission payments during each Subscription Period. Direct bill commission payments shall mean the commissions earned and that are actually available for payment in a monthly period to an Eligible Agency for personal and commercial direct bill policies after all offsetting debits and credits are applied, as determined solely from the Company's records.

(b) An Eligible Agency may elect to purchase Class A Common Stock during each October 1 through March 31 Subscription Period through a deduction from the contingent commission, if any, payable to the Eligible Agency under the applicable agency contingent plan or its equivalent. Under this method, an Eligible Agency shall designate a percentage of the contingent commission to be withheld by the Company subject to the Maximum Amount.

(c) An Eligible Agency may elect to purchase Class A Common Stock through lump-sum payments to the Company. Under this method, the Eligible Agency shall pay to the Company a dollar amount in a lump sum by the last day of the applicable Subscription Period (September 30 or March 31) or, in the case of the first Subscription Period, by the last day of the first Enrollment Period (October 31). The amount of the lump sum payment shall not be less than \$1,000 nor more than the Maximum Amount.

At the end of each Subscription Period, each Eligible Agency's direct bill commission payments, if any, shall be totaled and added to all lump-sum and/or contingent commission payments, if any, made by such agency. If at any time during a Subscription Period an Eligible Agency's total payments exceed the Maximum Amount for that Subscription Period then, upon request by the Eligible Agency, such excess amount shall be returned by the Company to the Eligible Agency without interest within a reasonable period. Any such amount not returned shall be applied to the purchase of Class A Common Stock during the next Subscription Period without reducing the Maximum Amount applicable to such Subscription Period.

#### 4. Duration of This Plan and Subscription Periods.

This Plan shall be in effect from September 30, 2001 through and including September 30, 2006. During the term of this Plan, there will be ten semi-annual "Subscription Periods." Each Subscription Period will extend from October 1 through March 31 or from April 1 through September 30, respectively, beginning with October 1, 2001 and ending on September 30, 2006.

5. Enrollment and Enrollment Periods.

Enrollment for participation in this Plan based on withholding from direct bill commissions shall take place in the "Enrollment Period" preceding each Subscription Period, which shall be from the 15th through the 30th day of September and from the 15th through the 31st day of March of each year commencing with September, 2001, except that the first Enrollment Period shall be from the 30th day of September, 2001 through the 31st day of October, 2001. An Eligible Agency shall be sent a Subscription Agreement prior to the beginning of the first Enrollment Period following such agency's designation as an Eligible Agency. An Eligible Agency that desires to subscribe for the purchase of Class A Common Stock through withholding from direct bill commissions must return a duly executed and completed Subscription Agreement during the first applicable Enrollment Period. Once enrolled, an Eligible Agency shall continue to participate in this Plan for each succeeding Subscription Period until it ceases to be an Eligible Agency or chooses to withdraw from this Plan pursuant to Section 9. If an Eligible Agency desires to change its rate of contribution, it may do so effective for the next Subscription Period by filing a new Subscription Agreement during the Enrollment Period for the next Subscription Period. An Eligible Agency that wishes to make lump-sum purchases during a Subscription Period shall remit each lump-sum payment to the Company with a supplemental Subscription Agreement by the last day of the applicable Subscription Period (September 30 or March 31) or, in the case of the first Subscription Period, by the last day of the first Enrollment Period (October 31). An Eligible Agency that wishes to make a purchase during the October 1 through March 31 Subscription Period through designation of a portion of its contingent commission under the agency contingent plan shall file a Subscription Agreement during the Enrollment Period applicable to that Subscription Period.

6. Number of Shares To Be Offered.

The total number of shares to be made available under this Plan is 300,000 shares of Class A Common Stock of the Company. In the event all 300,000 shares of Class A Common Stock are purchased prior to the expiration of this Plan, this Plan may be terminated in accordance with Section 13 of this Plan.

7. Subscription Price.

The "Subscription Price" for each share of Class A Common Stock shall be equal to 90% of the average of the closing prices of the Class A Common Stock on the Nasdaq Stock Market on the last ten trading days of the applicable Subscription Period; provided, however, that the Subscription Price shall never be less than the par value per share of the Class A Common Stock.

8. Purchase of Shares.

The Company will maintain a "Plan Account" on behalf of each enrolled Eligible Agency. As of the last day of each Subscription Period, the aggregate amount deducted from the Eligible Agency's direct bill commission payments and contingent commission withholding and lump-sum payments, not to exceed the Maximum Amount permitted pursuant to Section 3 of this Plan from all three payment methods, shall be credited to the Eligible Agency's Plan Account. At such time, the amount then contained in the Eligible Agency's Plan Account shall be divided by the Subscription Price for such

Subscription Period and each Plan Account will be credited with the number of whole shares that results. Any amount remaining in the Plan Account will be carried forward to the next Subscription Period or, at the option of the Eligible Agency, returned to the Eligible Agency. Any amount so carried forward will not reduce the Maximum Amount applicable to such succeeding Subscription Period. If the number of shares subscribed for during any Subscription Period exceeds the number of shares available for sale under this Plan, the remaining shares shall be allocated among all Eligible Agencies in proportion to their aggregate Plan Account balances, exclusive of any amounts carried forward as provided in Sections 3 and 8 of this Plan. Stock certificates will be issued and delivered to each Eligible Agency with respect to the shares it has purchased hereunder within a reasonable time thereafter.

9. Withdrawal from This Plan.

An enrolled Eligible Agency may withdraw from this Plan at any time by giving written notice of withdrawal to the Company, which written notice shall be signed on behalf of the Eligible Agency by an authorized representative. Promptly after the time of withdrawal or the discontinuance of an Eligible Agency's eligibility, certificates representing any shares held under this Plan shall be issued in the name of the Eligible Agency and the amount of any cash credited to the Eligible Agency's Plan Account for the current Subscription Period shall be refunded by the Company without interest. If an Eligible Agency withdraws, such Eligible Agency may not resubscribe until after the next full Subscription Period has elapsed, and then only if it has been redesignated by the Company as an Eligible Agency.

10. Termination of Agency Status.

Termination of agency status for any reason shall be treated as an automatic withdrawal from this Plan pursuant to Section 9.

11. Assignment and Issuance of Shares.

Except as expressly permitted by this Section 11, no Eligible Agency may assign its subscription payments under this Plan or rights to subscribe under this Plan to any other person (including its shareholders, partners or other principals), and any attempted assignment shall be void. Neither an Eligible Agency's rights under this Plan nor shares held in an Eligible Agency's Plan Account may be transferred, pledged, hypothecated or assigned. All shares issued under this Plan shall be titled in the name of the Eligible Agency; provided, however, that an Eligible Agency may, upon written request to the Company: (a) designate that such shares be issued to a shareholder, partner, other principal or other licensed employee of such Eligible Agency, or (b) designate that any retirement plan maintained by or for the benefit of such Eligible Agency or a shareholder, partner, other principal or other licensed employee of such Eligible Agency may purchase shares in lieu of such Eligible Agency through lump-sum payments made by the designee, subject to the \$12,000 Maximum Amount limitation set forth in Section 3, compliance with applicable laws, including the Employee Retirement Income Security Act of 1974, as amended, and, if applicable, payment by the Eligible Agency or its designee of any applicable transfer taxes and satisfaction of the Company's usual requirements for recognition of a transfer of Class A Common Stock.

12. Adjustment of and Changes in the Class A Common Stock.

In the event that the outstanding shares of Class A Common Stock are hereafter increased or decreased or changed into or exchanged for a different number or kind of shares or other securities of the Company, or of another corporation, by reason of reorganization, merger, consolidation, recapitalization, reclassification, stock split-up, stock dividend either in shares of the Class A Common Stock or of another class of the Company's stock, spin-off or combination of shares, appropriate adjustments shall be made by the Committee appointed pursuant to Section 14 of this Plan in the aggregate number and kind of shares that are reserved for sale under this Plan.

13. Amendment or Discontinuance of This Plan.

The Board of Directors of the Company shall have the right to amend, modify or terminate this Plan at any time without notice provided that no participant's existing rights are adversely affected thereby.

14. Administration.

This Plan shall be administered by a committee (the "Committee") consisting of three persons appointed from time to time by the Board of Directors of the Company. The Committee may from time to time adopt rules and regulations for carrying out this Plan. Interpretation or construction of any provision of this Plan by the Committee shall be final and conclusive on all persons absent contrary action by the Board of Directors.

15. Titles.

Titles are provided herein for convenience only and are not to serve as a basis for interpretation or construction of this Plan.

16. Applicable Law.

This Plan shall be construed, administered and governed in all respects under the laws of the Commonwealth of Pennsylvania and the United States of America.
