The information required on the remainder of this cover page shall not be deemed to be "filed" for the purpose of Section 18 of the Securities Exchange Act of 1934 (the "1934 Act") or otherwise subject to the liabilities of that section of the 1934 Act but shall be subject to all other provisions of the 1934 Act.

PREFATORY NOTE

Donegal Mutual Insurance Company (“Donegal Mutual”) is a Pennsylvania-domiciled mutual fire insurance company that is owned by its policyholders and has no stockholders. Donegal Mutual is therefore not subject to the periodic reporting requirements of Section 13(a) of the 1934 Act. Donegal Group Inc. (“DGI”), a publicly-owned insurance holding company of which Donegal Mutual holds majority voting control, is subject to those provisions.

Donegal Mutual is subject to the reporting requirements of Section 13(d) of the 1934 Act because of Donegal Mutual’s ownership of a greater than 5% interest in the outstanding shares of DGI’s Class A common stock (the “DGICA Shares”) and Donegal Mutual’s ownership of a greater than 5% interest in the outstanding shares of DGI’s Class B common stock (the “DGICB Shares”). The DGICA Shares and the DGICB Shares are each a class of voting equity securities registered pursuant to Section 12 of the 1934 Act.

Donegal Mutual files this Amendment No. 23 to its Schedule 13D/A (“Amendment No. 23”) to update the information contained in Donegal Mutual’s Amendment No. 22 to Schedule 13D/A that Donegal Mutual filed on April 29, 2015.

DGI has previously timely reported, in accordance with the 1934 Act, all of the substantive information contained in this Amendment No. 23 on Forms 8-K, 10-Q or 10-K, in the definitive proxy statements DGI has filed with the Securities and Exchange Commission (the “SEC”) or in the Form 4 Reports the executive officers and directors of DGI have filed with the SEC. As a result of the transactions this Amendment No. 23 reports, Donegal Mutual’s voting control of DGI has increased from approximately 65.0% to approximately 73.8%.

As the General Instructions to Schedule 13D require, Donegal Mutual reports in Amendment No. 23 all of the information Items 2 through 6 of Schedule 13D require with respect to each executive officer and director of Donegal Mutual and DGI, respectively. Donegal Mutual, DGI and each such executive officer and director, however, expressly declares that the filing of this Amendment No. 23 shall not constitute, or shall not be construed as, an admission that any of such persons and Donegal Mutual constitute a “group” of beneficial owners for purposes of Section 13(d) of the 1934 Act.

Item 2. Identity and Background.

Donegal Mutual hereby supplements and amends Item 2 of its Schedule 13D/A so that, as supplemented and amended, Item 2 reads in its entirety as follows:

The address of the principal place of business and the principal office of Donegal Mutual, the entity filing this Amendment No. 23, is 1195 River Road, Marietta, Pennsylvania 17547.

A group of local residents and business owners in Lancaster County, Pennsylvania formed Donegal Mutual in 1889 to provide property and casualty insurance. Now, 126 years later, Donegal Mutual has succeeded and grown to have approximately \$418.2 million in total assets and surplus of approximately \$212.0 million as of September 30, 2015. In addition, as a result of the purchases by Donegal Mutual this Amendment No. 23 reports, Donegal Mutual owns approximately 73.8% of the combined voting power of the outstanding DGICA Shares and the outstanding DGICB Shares. At September 30, 2015, DGI had total assets of approximately \$1.5 billion and stockholders' equity of approximately \$441.6 million. Donegal Mutual and the insurance subsidiaries of DGI currently conduct business in 21 Mid-Atlantic, Midwestern, New England and Southern states.

Since DGI established Atlantic States Insurance Company ("Atlantic States") in 1986, Donegal Mutual and DGI's insurance subsidiaries have conducted business together as the Donegal Insurance Group, while retaining their separate legal and corporate existences. An important part of Donegal Mutual's and DGI's business culture is to maintain and strengthen their founding principles and values. As such, Donegal Mutual and DGI's insurance subsidiaries share a combined business plan to enhance market penetration and underwriting profitability objectives. Pursuant to that combined business plan, Donegal Mutual and DGI's insurance subsidiaries share the same management, the same employees and the same facilities and offer the same types of insurance products. Donegal Mutual and DGI believe that Donegal Mutual's majority voting interest in DGI fosters its ability to implement its business philosophies, enjoy management continuity, maintain superior employee relations and provide a stable environment within which Donegal Mutual and DGI's insurance subsidiaries can grow their insurance businesses.

During 2015, A.M. Best Company reported that the Donegal Insurance Group ranked as the 94th largest property and casualty insurance group in the United States based on 2014 net premiums written. In addition, A.M. Best Company assigned the Donegal Insurance Group an A.M. Best rating of A (Excellent).

Donegal Mutual and DGI believe their relationship with each other since 1986 has been integral to their respective growth, strong financial condition and success in the property and casualty insurance industry and will continue to be a benefit to Donegal Mutual, to Donegal Mutual's policyholders, to DGI, to DGI's stockholders and to the

policyholders of DGI's insurance subsidiaries for the long-term future. The relationship provides Donegal Mutual and DGI's insurance subsidiaries with many advantages. Donegal Mutual and DGI believe these advantages include the following benefits:

- facilitating the stable management of DGI's insurance subsidiaries and Donegal Mutual and the consistent underwriting discipline, external growth and long-term profitability of the Donegal Insurance Group;
- creating operational and expense synergies given the combined resources and operating efficiencies of the Donegal Insurance Group;
- enhancing DGI's opportunities to expand by acquisition because of the ability of Donegal Mutual to acquire control of mutual insurance companies and thereafter demutualize them and then sell them to DGI for a fair price or assume substantially all of their insurance business by reinsurance and place such business in the underwriting pool, pursuant to which Donegal Mutual and Atlantic States pool substantially all of their respective underwriting activities;
- producing more uniform and stable underwriting results for the Donegal Insurance Group than any of its member companies could individually achieve without the relationship between Donegal Mutual and DGI's insurance subsidiaries; and
- providing Donegal Mutual and Atlantic States with a significantly larger underwriting capacity than either of those companies could have achieved individually because of the underwriting pool Donegal Mutual and Atlantic States have maintained since 1986.

The board of directors of Donegal Mutual and the board of directors of DGI review annually the structure and relationships of the Donegal Insurance Group. The most recent such review occurred in February 2015. As a result of these reviews, both DGI's board of directors and Donegal Mutual's board of directors reaffirmed their belief, as of February 2015, that the Donegal Mutual-DGI structure and the inter-company relationships described in DGI's proxy statement for its 2015 annual meeting of stockholders continue to be beneficial to the respective businesses and operations of DGI and its insurance subsidiaries and of Donegal Mutual. DGI's board of directors further reaffirmed in February 2015 its belief that Donegal Mutual's majority voting control of DGI is in the best interests of DGI's stockholders, Donegal Mutual's employees who provide services to DGI and DGI's insurance subsidiaries, the policyholders of DGI's insurance subsidiaries and the general public in the communities where the member companies of the Donegal Insurance Group maintain offices.

DGI's board of directors believes Donegal Mutual's long-term ownership of a majority interest in the combined voting power of DGICA and of DGICB fosters DGI's ability to:

- implement DGI's strategic business philosophies;
- realize the benefits of long-term management continuity;
- maintain superior employee relations; and
- provide a stable environment within which DGI can grow its businesses.

Donegal Mutual's board of directors believes that its maintenance of majority voting control of DGI is an essential foundation to DGI's strong financial condition and provides the benefits described above to DGI. As noted above, the boards of directors of Donegal Mutual and DGI reaffirmed in February 2015 that their historical relationship provides both parties with numerous benefits and that the continuation of the existing relationship is in the best interest of all of the constituencies Donegal Mutual and DGI serve.

DGI has a two-class voting structure that enables DGI to issue stock to raise additional equity capital and to effect acquisitions without materially affecting the relative voting power of any stockholder. Donegal Mutual is committed to maintaining its majority voting control of DGI to facilitate the continuation of the benefits Donegal Mutual's majority voting control of DGI provides to DGI and Donegal Mutual. Donegal Mutual will therefore continue to purchase DGICA Shares and DGICB Shares from time to time in the open market pursuant to SEC Rule 10b-18 and in private transactions. An order of the Pennsylvania Insurance Department authorizes Donegal Mutual to acquire ownership of 100% of the outstanding DGICB Shares and to acquire ownership of up to 65% of the outstanding DGICA Shares.
