PREFATORY NOTE

Donegal Mutual Insurance Company (“Donegal Mutual”) files this Amendment No. 22 to its Schedule 13D/A (“Amendment No. 22”) to update the information contained in Donegal Mutual’s Amendment No. 21 to Schedule 13D/A that Donegal Mutual filed on October 30, 2014 relating to Donegal Mutual’s ownership of the Class A common stock (“DGICA”) and the Class B common stock (“DGICB”) of Donegal Group Inc. (“DGI”).

Donegal Mutual, as a mutual insurance company owned by its policyholders, has no stockholders. Donegal Mutual is therefore not subject to the periodic reporting requirements of Section 13(a) of the 1934 Act. However, Donegal Mutual is subject to the reporting requirements of Section 13(d) of the 1934 Act because Donegal Mutual owns more than 5% of the outstanding shares of DGICA and more than 5% of the outstanding shares of DGICB, each of which is a class of voting equity securities registered pursuant to Section 12 of the 1934 Act.

DGI has previously timely reported, in accordance with the 1934 Act, all of the substantive information this Amendment No. 22 reports on Forms 8-K, 10-Q or 10-K or in the definitive proxy statements DGI has heretofore filed with the Securities and Exchange Commission (the “SEC”) or in the Form 4 Reports filed by the executive officers of Donegal Mutual and DGI.

As the General Instructions to Schedule 13D require, Donegal Mutual reports in Amendment No. 22 all of the information Items 2 through 6 of Schedule 13D require with respect to each executive officer and director of Donegal Mutual and DGI, respectively. Donegal Mutual, DGI and each such executive officer and director, however, expressly declares that the filing of this Amendment No. 22 shall not constitute, or be construed as, an admission that any of such persons and Donegal Mutual constitute a “group” of beneficial owners for purposes of Section 13(d) of the 1934 Act.

Item 2.      Identity and Background.

Donegal Mutual hereby supplements and amends Item 2 of its Schedule 13D/A so that, as supplemented and amended, Item 2 reads in its entirety as follows:

The address of the principal place of business and the principal office of Donegal Mutual, a Pennsylvania mutual fire insurance company, and the entity filing this Amendment No. 22, is 1195 River Road, Marietta, Pennsylvania 17547.

A group of local residents and business owners in Lancaster County, Pennsylvania formed Donegal Mutual in 1889 to provide property and casualty insurance. Now, 126 years later, Donegal Mutual has succeeded and grown to have approximately \$393.7 million in total assets and surplus of approximately \$204.4 million as of December 31, 2014. In addition, Donegal Mutual controls approximately two-thirds of the combined voting power of the outstanding shares of DGICA and DGICB. At December 31, 2014, DGI had total assets of approximately \$1.5 billion and stockholders' equity of approximately \$416.1 million. Donegal Mutual and DGI currently conduct business in 21 Mid-Atlantic, Midwestern, New England and Southern states.

Since DGI established Atlantic States Insurance Company ("Atlantic States") in 1986, Donegal Mutual and DGI's insurance subsidiaries have conducted business together as the Donegal Insurance Group, while retaining their separate legal and corporate existences. An important part of Donegal Mutual's and DGI's business culture is to maintain and strengthen their founding principles and values. As such, Donegal Mutual and DGI's insurance subsidiaries share a combined business plan to enhance market penetration and underwriting profitability objectives. Pursuant to that combined business plan, Donegal Mutual and DGI's insurance subsidiaries share the same management, the same employees and the same facilities and offer the same types of insurance products. Donegal Mutual and DGI believe that Donegal Mutual's majority voting interest in DGI fosters its ability to implement its business philosophies, enjoy management continuity, maintain superior employee relations and provide a stable environment within which Donegal Mutual and DGI's insurance subsidiaries can grow their insurance businesses.

During 2014, A.M. Best Company reported that the Donegal Insurance Group ranked as the 98<sup>th</sup> largest property and casualty insurance group in the United States based on 2013 net premiums written. In addition, A.M. Best Company assigned the Donegal Insurance Group an A.M. Best rating of A (Excellent) in 2014.

Donegal Mutual and DGI believe their relationship with each other since 1986 has been integral to their respective growth, financial condition and success in the property and casualty insurance industry and will continue to be a benefit to Donegal Mutual, to Donegal Mutual's policyholders, to DGI, to DGI's stockholders and to the policyholders of DGI's

insurance subsidiaries for the long-term future. The relationship provides Donegal Mutual and DGI's insurance subsidiaries with many advantages. Donegal Mutual and DGI believe these advantages include the following:

- facilitating the stable management of DGI's insurance subsidiaries and Donegal Mutual and the consistent underwriting discipline, external growth and long-term profitability of the Donegal Insurance Group;
- creating operational and expense synergies given the combined resources and operating efficiencies of the Donegal Insurance Group;
- enhancing DGI's opportunities to expand by acquisition because of the ability of Donegal Mutual to acquire control of mutual insurance companies and thereafter demutualize them and then sell them to DGI for a fair price or assume substantially all of their insurance business by reinsurance and place such business in the underwriting pool, pursuant to which Donegal Mutual and Atlantic States pool substantially all of their respective underwriting activities;
- producing more uniform and stable underwriting results for the Donegal Insurance Group than any of its member companies could individually achieve without the relationship between Donegal Mutual and DGI's insurance subsidiaries; and
- providing Donegal Mutual and Atlantic States and the insurance subsidiaries of DGI with a significantly larger underwriting capacity than either of those companies could have achieved individually because of the underwriting pool Donegal Mutual Atlantic States have maintained since 1986.

The board of directors of Donegal Mutual and the board of directors of DGI review annually the structure and relationships of the Donegal Insurance Group. The most recent such review occurred in February 2015. As a result of these reviews, both DGI's board of directors and Donegal Mutual's board of directors reaffirmed their belief, as of February 2015, that the Donegal Mutual-DGI structure and the inter-company relationships described in DGI's proxy statement for its 2015 annual meeting of stockholders continue to be appropriate for the respective businesses and operations of DGI and its insurance subsidiaries and of Donegal Mutual. DGI's board of directors further reaffirmed in February 2015 its belief that Donegal Mutual's majority voting control of DGI is in the best interests of DGI's stockholders, Donegal Mutual's employees who provide services to DGI and DGI's insurance subsidiaries, the policyholders of DGI's insurance subsidiaries and the general public in the communities where the member companies of the Donegal Insurance Group maintain offices.

DGI's board of directors believes Donegal Mutual's long-term ownership of a majority interest in the combined voting power of DGICA and of DGICB fosters DGI's ability to:

- implement DGI's strategic business philosophies;

- realize the benefits of long-term management continuity;
- maintain superior employee relations; and
- provide a stable environment within which DGI can grow its businesses.

Donegal Mutual's board of directors believes that its maintenance of majority voting control of DGI is an essential foundation to DGI's strong financial condition and provides the benefits described above to DGI. As noted above, the boards of directors of Donegal Mutual and DGI reaffirmed in February 2015 that their historical relationship provides both parties with numerous benefits and that the continuation of the existing relationship are in the best interest of all of the constituencies Donegal Mutual and DGI serve.

DGI has a two-class voting structure that enables DGI to issue stock to raise additional equity capital and to effect acquisitions without materially affecting the relative voting power of any stockholder. Donegal Mutual is committed to maintaining its majority voting control of DGI to facilitate the continuation of the benefits Donegal Mutual's majority voting control of DGI provides to DGI and Donegal Mutual. Donegal Mutual will therefore continue to purchase DGICA and DGICB from time to time in the open market pursuant to SEC Rule 10b-18 and in private transactions. An order of the Pennsylvania Insurance Department authorizes Donegal Mutual to acquire ownership of 100% of DGICB and up to 70% of DGICA.

Item 3. Source and Amount of Funds or Other Consideration.

Donegal Mutual hereby supplements and amends Item 3 of its Schedule 13D/A so that, as supplemented and amended, Item 3 reads in its entirety as follows:

Donegal Mutual may from time to time purchase shares of DGICA and DGICB in the open market pursuant to SEC Rule 10b-18 and in private transactions. The source of any funds Donegal Mutual has historically used for this purpose has been Donegal Mutual's available funds on hand, but it reserves the right to draw upon its available line of credit for this purpose in the future.

In February 2009, DGI's board of directors authorized a share repurchase program pursuant to which DGI may repurchase up to 300,000 shares of DGICA at prices prevailing from time to time in the open market subject to the provisions of SEC Rule 10b-18 and in privately negotiated transactions. At December 31, 2014, DGI had the authority remaining to purchase 3,222 shares of DGICA under this share repurchase program.

In July 2013, DGI's board of directors authorized a share repurchase program pursuant to which DGI has the authority to purchase up to 500,000 additional shares of DGICA at prices prevailing from time to time on the open market subject to the provisions of SEC Rule 10b-18 and in privately negotiated transactions. DGI has not purchased any shares of DGICA under this program since its adoption.

In April 2015, DMIC's board of directors approved an offer by DMIC to purchase an aggregate of 420,072 shares of DGICA from the executive officers of DMIC and DGI. The

shares of DGICA DMIC offered to purchase represent shares of DGICA such executive officers have the right to acquire upon the exercise of stock options that expire on July 15, 2015 at a price of \$14.00 per share. As of the date of this Amendment No. 22, DMIC has purchased a total of 320,000 shares of DGICA from its executive officers pursuant to such offer.

As in a typical cashless option exercise transaction, the executive officers would first exercise the options and the exercise price would be paid to DGI with the proceeds from the concurrent sale of shares of DGICA to DMIC at a price per share that would represent the average of the closing price of shares of DGICA on the Nasdaq Global Select Market for the five trading days prior to the date the executive officer exercises his options.

Item 4. Purpose of Transaction.

Donegal Mutual hereby supplements and amends Item 4 of its Schedule 13D/A so that, as supplemented and amended, Item 4 reads in its entirety as follows:

DGI's repurchase of shares of DGICA provides it with shares to use for compensation and other corporate purposes of DGI without diluting the majority ownership of DGI by Donegal Mutual. DMIC's purchase of shares of DGICA helps assure Donegal Mutual's continuing majority voting control of DGI. Donegal Mutual has no current plans or proposals with respect to DGI or its subsidiaries which relate to or would result in:

- Donegal Mutual's disposition of shares of DGICA of DGI or Donegal Mutual's disposition of shares of DGICB of DGI;
- an extraordinary corporate transaction such as a merger or reorganization of DGI or any of its subsidiaries;
- a sale or transfer of a material amount of the assets of DGI or any of DGI's subsidiaries;
- any change in the current board of directors or management of DGI, including any plans or proposals to change the number of the members of DGI's board of directors;
- any material change in the capitalization of DGI as of March 31, 2015 or any material change in DGI's current dividend policy and practices;
- any material change in DGI's business or corporate structures;

- any change in DGI's certificate of incorporation or by-laws or any other action that might impede an acquisition of control of DGI by a person other than Donegal Mutual as described in this Amendment No. 22;
- causing a class of equity securities of DGI to be delisted from a national securities exchange or to cease to be authorized for quotation systems of a registered national securities association;
- causing a class of equity securities of DGI to become eligible for termination of registration pursuant to Section 12(g)(4) of the 1934 Act; or
- any action similar to any of those enumerated above.

**Item 5. Interest in Securities of the Issuer.**
