PREFATORY NOTE

All share information set forth in this Amendment No. 15 to Schedule 13D/A reflects the 33-1/3% stock dividend declared by the board of directors of Donegal Group Inc. on April 5, 2006.

Item 2. Identity and Background.

Item 2 is hereby supplemented and restated so that, as supplemented and restated, Item 2 reads in its entirety as follows:

The principal place of business and principal office of Donegal Mutual Insurance Company ("Donegal Mutual"), a Pennsylvania mutual fire insurance company, the entity filing this Amendment No. 15 to Schedule 13D/A, is located at 1195 River Road, Marietta, Pennsylvania 17547.

As of April 19, 2006, Donegal Mutual owns approximately 41.4% of the Class A common stock of Donegal Group Inc. ("DGI") and approximately 68.3% of the Class B common stock of DGI.

Donegal Mutual believes that the interrelationship of Donegal Mutual and DGI is in the best interests of DGI and its stockholders and Donegal Mutual and its policyholders and provides DGI and Donegal Mutual with a number of competitive advantages, including:

- Facilitating the stable management, consistent underwriting discipline, external growth and long-term profitability of DGI and Donegal Mutual;
- Creating operational and expense synergies from the combined resources and integrated operations of Donegal Mutual and DGI;
- Enhancing DGI's external growth because of the ability of Donegal Mutual to affiliate with and, over a period of time, acquire other mutual insurance companies and later sell them to DGI;
- Producing more stable and uniform underwriting results over extended periods of time than DGI could achieve without the interrelationship with Donegal Mutual; and
- Providing Atlantic States Insurance Company ("Atlantic States"), DGI's largest insurance subsidiary, with a significantly larger underwriting capacity because of the intercompany pooling agreement between Donegal Mutual and Atlantic States that has been in effect since 1986.

Donegal Mutual believes that these benefits from its interrelationship with DGI are best demonstrated by the combined ratio of DGI's insurance subsidiaries, DGI's net income and the performance of DGI's Class A common stock. This information for the five years ended December 31, 2005 is as follows:

- Combined Ratio

	2001	2002	2003	2004	2005
DGI GAAP combined ratio	103.8%	99.6%	95.0%	93.1%	89.5%
Industry SAP combined ratio(1)	115.9	107.4	100.1	97.6	101.5

(1) As reported by A.M. Best.

- Net Income of DGI (in millions)

	2001	2002	2003	2004	2005
	\$5.8	\$12.0	\$18.3	\$31.6	\$36.9

- Stock Performance(2)

	2001	2002	2003	2004	2005
DGI Class A	\$ 95.84	\$102.86	\$217.04	\$230.93	\$318.41
Russell 2000	101.03	79.23	115.18	134.75	139.23
Value Line (Property-Casualty)	104.04	107.73	136.27	152.29	168.92

(2) Assumes \$100 invested at the close of trading on December 29, 2000 and the reinvestment of all cash dividends.

Donegal Mutual formed DGI as a downstream holding company in 1986 as a strategic initiative to provide access to additional sources of capital and surplus to allow Donegal Mutual to remain competitive, provide it with the capacity to expand its business and assure its long-term viability. Donegal Mutual's majority ownership of DGI and the substantial increase in the value of that interest have been major factors in Donegal Mutual's achievement of its current financial condition and dramatic growth in surplus since the formation of DGI.

The insurance operations of DGI's subsidiaries are interrelated with the insurance operations of Donegal Mutual and, while maintaining the separate corporate existence of DGI and Donegal Mutual, DGI and Donegal Mutual conduct the insurance business of DGI's subsidiaries together with the insurance business of Donegal Mutual as the Donegal Insurance Group. As such, DGI and Donegal Mutual share the same business philosophy, the same employees, the same executive management and the same facilities, as well as offering the same types of insurance products.

Donegal Mutual believes that the maintenance of its majority control of DGI is an essential foundation of its strong financial condition and that of DGI. In 2001, DGI

implemented a two-class voting structure that has enabled DGI to issue stock to raise additional equity capital and to effect additional acquisitions without materially adversely affecting the relative voting power of any stockholder.

Donegal Mutual believes that Donegal Mutual's majority control of DGI has created, and will continue to create, a stability of management that permits the consistent underwriting discipline that will help assure the long-term profitability of Donegal Mutual and DGI. Accordingly, Donegal Mutual is committed to maintaining its majority control of DGI to facilitate a continuation of the benefits provided to DGI and Donegal Mutual by Donegal Mutual's majority control of DGI. Donegal Mutual will therefore continue to make purchases of DGI's Class A and Class B common stock from time to time in the open market pursuant to Rule 10b-18 and in private transactions. Donegal Mutual is authorized by an order of the Pennsylvania Insurance Department to acquire ownership of 100% of DGI's Class B common stock.

Donegal Mutual has owned not less than a majority of DGI's voting common stock since the formation of DGI in 1986, and owned approximately a 61% voting interest in DGI as of the date of this Amendment No. 15 to Schedule 13D/A. Donegal Mutual believes that Donegal Mutual's voting control of DGI serves to maximize the value of DGI.

The names of Donegal Mutual's directors are as follows: Donald H. Nikolaus, Frederick W. Dreher, Patricia A. Gilmartin, Philip H. Glatfelter, II, John E. Hiestand, Kevin M. Kraft, Sr., R. All of the executive officers and directors of Donegal Mutual and DGI are citizens of the United States of America. Neither Donegal Mutual nor any of its executive officers or directors has, during the last five years, been convicted in a criminal proceeding (other than traffic violations and similar misdemeanors). Neither Donegal Mutual nor any of its or DGI's executive officers or directors has, during the last five years, been subject to any judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws as a result of any civil proceeding of a judicial or administrative body of competent jurisdiction.

As reported in Item 2, Donegal Mutual may from time to time purchase Class A common stock and Class B common stock in the open market pursuant to SEC Rule 10b-18 and in private transactions.
